

# Mother, Daughter Are Joined After 29 Years

By STAN HALL  
United Press International  
LOS ANGELES (UPI) — A mother and her newly-found daughter today began filling in the blanks of the last 29 years. They met Monday for the first time since 1930 in a joyous reunion that embraced four generations. At first the reunion between Mrs. Ruby Shelton, 53, Las Vegas, Nev., and her daughter, Mildred, 32, Los Angeles, now a mother of two herself, was strained. Then they relaxed and began telling each other what had happened.

Up until last September, the daughter, Mildred Debonis, thought a woman named Francine Reize was her mother. But at that time, during a quarrel, Mrs. Reize told Mildred: "No wonder you don't stick with me. You're not my daughter

# Police Report Eight Arrests

La Grande Police Dept. made eight arrests over the weekend. Five of the eight were arrested yesterday and are in the city jail here.

Those in jail are Chris Zavala, 23, who was arrested for not having an operator's license; Sammy Lobato, 16, was arrested for illegal possession of an alcoholic beverage; John Lopez, 20, arrested for intoxication; and Reuben Morin, 18, who was arrested for illegal possession. They are all from Nampa, Idaho. John Encinas, 20, of Stanfield, Ariz., was also arrested for illegal possession.

Leo Shirley Davis, 40, Union, was arrested yesterday for intoxication and bail was set at \$20. Clayton Mayhew Coalwell, 32, 2308 N. Fir, was charged with

# Navy Reschedules Nike-Asp Flight

POINT ARGUELLO, Calif. (UPI)—The Navy has rescheduled for today launching of a two-stage Nike-Asp rocket to measure solar radiation.

The Sun Flare II shot was postponed Monday night when scientists said they were unable to get instrumentation in the rocket's 50 pound payload in shape in time.

Scientists said they hoped the rocket would streak 150 miles into the sky to measure cosmic rays. The experiments are aimed at learning more about the effects of sun spots which among other things affect radio transmission on earth.

disobeying a traffic signal on a red light. Bail was set at \$20. A 16-year-old boy was arrested for doing 35 mph. in a 20 mph. zone and bail set at \$10.

# DA Urges Publication Of Quiz Show Report

NEW YORK (UPI)—Dist. Atty. Frank S. Hogan urged a court Monday to make public a grand jury presentment exposing "a national fraud" in the operation of television quiz shows.

"The public has a right to know the extent to which it has been duped and cheated . . . there can be little doubt that the national resentment would lead to legislation and regulation designed to prevent a recurrence or continuation of such fraud," Hogan said.

He said the document also would be valuable to "television itself" by presenting "facts enabling it to clean its own house."

Hogan's argument was made in a 20-page brief presented to General Sessions Judge Mitchell D. Schweitzer, who impounded the presentment last month after the attorneys for producers of several quiz shows no longer on the air objected to it.

Schweitzer had asked the district attorney to present arguments, and said he would make a ruling in August.

Hogan said it could be assumed the presentment exposes "a national fraud whereby television quiz shows have been constantly misrepresented to millions of citizens as honest tests of the contestants' knowledge and skill."

He said the "gigantic fraud and hoax" involved "a regular practice of informing 'contestants' whose lengthy presence on the show is deemed profitable, of the questions to be asked and, frequently, of providing the correct answers as well."

"Misrepresentation of the entertainment offered is morally if not legally larceny by false pretenses and constitutes a fraud."

He said the grand jury deemed the operation of the programs "a large scale evil" and had asked that copies of its report be sent to "certain official agencies, the functions of which are relevant to the conditions discovered."

The court's position in suppressing the document has been supported by two bar associations, who agreed with the original objections that a grand jury presentment, which offers no forum for rebuttal of its charges, can be returned only against public officials.

## N. Y. STOCKS

NEW YORK (UPI)—Steel shares, weak spots Monday, led a recovery today.

Steel issues gained 1 to more than 2 points without much help from last minute negotiations to head off an expected steel strike scheduled for midnight tonight.

The biggest gains of the market appeared in the electronics shares where Texas Instruments at its best was up 8½ points and Loton Industries gained 5½. Motorola and Zenith rose more than 3 points each.

American Motors topped the automobile department with a gain of 2½ points. Studebaker had a small net gain. Chrysler was up nearly a point and General Motors and Ford firmed smaller amounts.

Aluminum issues rose to new highs under the lead of Reynolds Metals which at its best was up 5 points. Alcoa, Aluminum, and Kaiser reached their best levels of the year on gains ranging to more than 2 points.

Vick Chemical ran up 5 points in the drugs and Texas Gulf Producing was up more than 2 in the oils which appeared somewhat firmer late in the day.

Tire issues rose moderately. Copper's had gains ranging to nearly 2 points on firmer prices for copper metal in London. In the rails gains ranged to a point in Chesapeake & Ohio.

matured and are drying out because of the recent heat and dry weather.

Lew Morgan, clerk-dispatcher with the La Grande forestry office reported that all lookouts were up and that the forest service is conducting a patrol in the woods. There has been no general alert sounded and crews are conducting the patrols in addition to regular duties.

Two tank-pump units are ready in addition to slash crews and personnel available from the lumber industry in case of a fire in the La Grande area, Morgan stated.

"Please advise everybody using forest facilities to be extremely careful," Morgan concluded.

## MOLLET ELECTED

PARIS (UPI)—The French Socialist Party Sunday night elected ex-Premier Guy Mollet as its leader for the 14th consecutive time. The Congress endorsed Mollet's line of "constructive opposition" to the De Gaulle government and called for new efforts to arrange a liberal ceasefire solution in Algeria.
