LA Stays Near Top With 3-0 Victory

United Press International
Some say it hunts, some say it whistles, but no matter what it does, Don Drysdale's fast ball sure sounds like pennant music to the Dodgers' ears.

Standing up at the plate against the side-arming Drysdale is like facing a firing squad without a blindfold, according to National League hitters.

The six-foot, five-inch Los Angeles right-hander is sheer murder on right-handed batters when he fires those sizzling fast balls

at them by way of third base. Some of those hitters don't seem to know whether to wince or wind their watch.

Drysdale turned in that type of performance Wednesday night when he pitched a three-hitter and struck out seven Pittsburgh batters in a 3-0 victory that lifted the Dodgers within one game of the National League lead.

The victory was Drysdale's 11th against six losses and those seven strikeouts increased his total to 147 in 170 2-3 innings—tops in the majors.

To complete his night's work, the 23-year-old Drysdale doubled off loser Bob Friend to drive in two runs in the seventh. The loss was Friend's 11th in 15 decisions.

The Chicago Cubs tightened their hold on fifth place with a 5-2 victory over the Milwaukee Braves and the Cincinnati Reds defeated the St. Louis Cardinals, 11-5. Rain caused postponement of the San Francisco-Philadelphia game.

In the American League, Washington took over fifth place and dropped Detroit to sixth by beating the Tigers, 3-0, in a game limited to five innings by rain. The rain also washed out a doubleheader between the Indians and Yankees and single games between the White Sox and Red Sox and the Athletics and Orioles.

Glen Hobbie of the Cubs checked the Braves on five hits in winning his 10th game of the season. The victory was Hobbie's fifth straight without a defeat over the Braves during a two-year span and it dropped Milwaukee back into third place behind the second-place Dodgers.

Gus Bell slammed out five hits to lead Cincinnati's 19-hit onslaught against St. Louis. Johnny Temple drove in four runs for the Reds and Frank Robinson, who hit his 24th homer, knocked in three more.

Tom Carman Breaks Arm

Hopes of the La Grande Swim Club to give Hermiston, last year's champions, a battle for team honors in the forthcoming district swimming championships were jolted last night when it was learned that Tommy Carman, stellar breaststroke and freestyle swimmer and member of the record-breaking relay team, 11-12 division, had suffered a fractured left arm.

Carman will be lost for the remainder of the season.

He sustained a fracture of the left arm just above the elbow in a fall from the lattice-work of the breezeway at his home. Confined at the Grande Ronde Hospital, he is expected to leave the hospital within several days.

Final Swim Instruction Begins Monday

The third and final phase of swimming instructions will get underway at the Veterans Memorial Pool Monday morning.

The courses sponsored jointly by the Red Cross and the Youth Activities program will be under the direction of Dot Ann Anson, Marilee Meppen, Betty Turley, and other qualified swim instructors.

A special class for women will be offered at the pool beginning Aug. 1. The class will be interrupted for the water safety instruction course offered during the second week of the month.

The class will resume the following Monday and run through the week of Aug. 17.

The schedule:
July 20-July 31
Junior Life Saving and Beginning boys: 9.
Beginning Girls: 9:30.
Junior Life Saving and Mixed Intermediates: 10.
Aug. 3-7
Women's Class: 10.
Aug. 17-21
Women's Class: 10.

ANOTHER RUN—Tom Thompson scores a run for the Dodgers in last night's little league action. The Dodgers whipped the Cardinals 11-9 to tighten their hold on first place in the Elk's league. Thompson was safe on an error in the third inning and scored after two walks and a hit batter. (Observer Photo)

Tennis Club Head Resigns

NEW YORK (UPI)—The West Side Tennis Club's Board of Governors announced Tuesday night the resignation of the club president, Wilfred Burglund, six days after Dr. Ralph Bunche reported that Burglund told him he and his son could not join because they are Negroes.

The board said it would give "courteous and prompt attention" to any membership application submitted by Bunche, who is undersecretary of the United Nations and a Nobel peace prize winner, and his son. It denied there were any regulations denying membership to any race or creed and said it already has Jewish and Oriental members. Bunche said a week ago that when he had inquired about membership for his son, Ralph Jr., 15, Burglund told him the club
