Ike Cool In Crisis But Steams At Little Things By MERRIMAN SMITH

UPI Staff Writer WASHINGTON (UPI) - Back tairs at the White House:

the detachment with which he can view a crisis—and a new one seems to come over his desk with of kind advice-unpack.

On the other hand, this same detachment can produce apprehension in others who come steaming to the White House with a burning problem and find him somewhat unimpressed.

The President really meant it the other day when he wrote the mayor of Newport, R.I. that he didn't "dare" think of vacation plans. If and when Congress adjourns, and if and when there is somewhat unimpressed.

The President really meant it the society didn't ask a stock market analyst to tell what would of Continental Can Co. predicts market analyst to tell what would of Continental Can Co. predicts market analyst to tell what would of Continental Can Co. predicts when we will pass through the 25 years.
