The prices bid for stumpage for live and recently dead (sound sapwood) timber shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the Western Pine Association lumber price indices, as calculated by the Forest Service at the end of each calendar quarter, and the following base indices: Ponderosa pine 33.53; Douglas-fir, Western larch & Other species 77.62; White fir 70.21; and Engelmann spruce 85.21. In no event, however, shall the adjusted stumpage rates for each quarter be less than the base rates as stated above. Sealed bids will be publicly opened and posted at La Grande, Ore. at 2:00 p.m. August 31, 1959. All those who submit a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of \$5,000.00 must accompany each bid to be applied on the purchase price, refunded, or retained in part as liquidated damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, La Grande, Oregon, or the Forest Supervisor, Baker, Oregon, before bids are submitted. REJECT ICELAND CHARGE

LONDON (UPI) — The Foreign Office Tuesday rejected an Icelandic charge of "aggression" by British gunboats in escorting British fishing trawlers inside Iceland's disputed 12-mile territorial limit. The charge was described as "nonsense" by a Foreign Office spokesman, who pointed out that Britain recognizes only a four-mile Icelandic territorial limit.
