### Chicago Ups League Lead With Two Wins

**United Press International**—Thirty shapes up today as the "magic number" which could give the Chicago White Sox their first pennant in 40 years.

That National League race is still as tight as a can of sardines but 11 victories in their last 12 games have the White Sox going... and perhaps very soon "gone" in the American League race.

The red-hot White Sox stretched their latest winning streak to six games and opened up a three-game lead Sunday when they swept a doubleheader from the Washington Senators, 3-2 and 9-3. The losses stretched the Senators' losing streak to 16 games—two short of their club record and four shy of a league mark share by three teams.

With 52 games left, the White Sox can reach the 92-victory mark by winning 30 games and losing 22 for a .577 pace. The second-place Cleveland Indians then would have to go to a .640 pace to tie. The New York Yankees? A mere 42 out of 52 or .808 would be enough to tie.

### Swimmers Nab Points In Two Weekend Tests

Members of the La Grande Swim Club's "traveling squad" who appeared Thursday and Friday at the Spokane meet fared well in competition at The Dalles Recreation Meet Saturday.

Mike Challis, who earned two third place trophies at Spokane in the 100 and 50 yard freestyle events, took two seconds at The Dalles, in the backstroke and freestyle.

Art Sampson, who won fifth in the 100 yard freestyle at Spokane and gained the finals in the 50 yard freestyle, took the 100 meter freestyle, 13-14 division, and was second in the 200 meter breaststroke at The Dalles.

Jennifer Smith, fifth in the junior women's 100 yard backstroke at Spokane, placed second in the 100 meter backstroke, 15-18 division, at The Dalles on Saturday.

Mike Jones, who went unplaced at Spokane, won thirds in the 100 meter freestyle and 100 meter backstroke, 13-14 divisions, at The Dalles.

The La Grande contingent scored 25 points at the Spokane meet.

MINNEAPOLIS (UPI) — Bob Rosburg, the new PGA champion who finally won "the big one I've been looking for," wasn't sure today whether his triumph came on merit or "little Jerry's mistakes."

Little Jerry is the 43-year-old, five-foot, five-inch, 138-pound Jerry Barber, who blew the PGA championship Sunday when he bogeyed the last two holes.

"I gave the tournament away," Barber said. "When I put my approaches on the last two holes in sand traps, I blew it."

But he didn't take anything away from the bespectacled Rosburg, who with three children, ages eight, seven and six, wanted to win "a big one" in the hope he will get a good job with a golf club so he will be able to spend more time at home, rather than travel the tournament golfing trail.

"When you shoot a 66 like Bob did, you deserve to win," Barber said. "But when it looked like I had frosting on the cake going to the 17th hole, it turned out to be only dough."

**Started 6 Strokes Behind**  
Rosburg, who has been making his living playing golf since he turned professional in 1953, was hit six strokes behind the leading Barber going into Sunday's final round. But that four-under-par 66 gave him a 72-hole total of 277, one stroke better than Barber and Doug Sanders.

Sanders, one stroke behind Barber going into the final round, carded a two-over-par 72 for the second place tie.

**Defending champion Dow Finsterwald** was fourth at 280. He shot a fourth round par 70. Tied for fifth at 281 were the favored Mike Souchak, whose outter failed him again, Bob Goalby and Ken Venturi. Next at 282 came Sammy Snead and Cary Middlecoff.

Souchak came in with a two-over-par 74 and, with only six players left in the field, there were only three golfers in the running — Rosburg, Barber and Sanders.

Sanders, who was in the tournament on a pass, shot a final round 72. He lost his chance when he three-putted from 22 feet on the 17th hole.

Souchak went out of the running when he bogeyed three of the first four holes.

**Closed Gap Early**  
At the nine hole turn, Rosburg had picked up those six strokes on Barber by going out in 30 against little Jerry's 36.

So going to the 10th Rosburg and Barber were all even. Rosburg was in the clubhouse when he heard that Barber had parred the 16th. It looked like Tiny Jerry was home free. He needed only two pars to win. But he took two bogeys instead.

**SHRINE QUEEN** — Kristine Ann Kenny, Pendleton, will reign over the eighth annual Shrine East-West All-Star Football game to be played in the Round-Up Stadium August 22. Kristine has been treated in the Shrine Hospital in Portland and still receives outpatient treatment.

### Stewart Lundgren Paces Swim Club At The Dalles Meet

Paced by the sparkling performance of Stewart Lundgren, first and Ken Chrusoskie, fourth, in the 50 meter backstroke.

**13-14 division**—Mike Jones, third, and Tim Dodson, sixth, 100 meter backstroke; Art Sampson, first, and Mike Jones, third, 100 meter freestyle; Art Sampson, second and Tim Dodson, third, 200 meter breaststroke.

**15-16 division**—Jennifer Smith, second, 100 meter backstroke; Mike Challis, second, and Rolfe Pitts, unplaced, 100 meter backstroke; Mike Challis, second, and Rolfe Pitts, unplaced, 100 meter backstroke; Mike Challis, second, 100 meter freestyle.

The closest race of the meet was the final event on the program, the 15-16 boys 100 meter freestyle. Mike Challis, who has chased The Dalles' Nathan Francis in four years of competition but never succeeded in catching him, took the lead from the start and at the turn was leading Francis, in second place, by four feet.

Fifteen yards from the finish Francis began to overhaul Challis and, amid a screaming throng of fans and teammates, hit the rail two inches ahead of Challis in the time of 1:06.2. Challis was timed in 1:06.3.

The La Grande's next meet is the District Championships this Saturday afternoon in La Grande.

### Jim Zanelli Tops Stock Car Drivers

There were thrills and chills aplenty for spectators at Sunday's stock car races at the JC Speedway.

Jim Zanelli was the day's top driver capturing the Trophy Dash and the fourth heat race then coming back to grab the A Main. The Jack Ricker family had a good day too. Jack finished second in the B Main to Ray Mohri and Lucille Ricker captured the special Powder Puff derby.

De Lay Christensen, Pendleton, turned in the fast time of the day in time trials driving car 81.

Jerry Williams in car No. 2 literally drove off with the first heat race. Williams jumped into the leading during the first lap and steadily widened the gap to win going away.

Lloyd Anthony drove car No. 90 to victory in the second heat beating off the challenge of Dick Hilyard.

Bill Turner raced away with the third race and Jim Evers finished second.

The fourth heat race produced the day's closest finish. Ken Hall lead during the first part of the race until Bud Ingert piled his car into the railing. Zanelli and Hall had dualed for the lead up until this time. The cars were restarted after the wreck and Zanelli zoomed into the lead.

Jeff Griffin, Pendleton, driving car No. 18 stayed close to Zanelli until the final turn. Griffin got inside Zanelli's car No. 6. The cars raced for the finish line with Zanelli winning by a foot.

Twelve cars went to the post in the A Main and when the dust had cleared only six were still going.

Zanelli once more got into the lead and Jim Evers was hot on his tail. The two cars continued to battle for top spot throughout the race.

Zanelli gradually increased his lead and captured the 30 lap event easily.

Three cars went to the post in the Powder Puff special. Lucille Ricker lead all the way. Betty Williams finished second and Myrna Woodell was third.

The results:  
Trophy Dash: Jim Zanelli, 0; Bud Ingert, 5; De Lay Christensen, 31.  
1st Heat: Gerald Williams, 2; 2nd Heat: Lloyd Anthony, 00; 3rd Heat: Bill Turner, 45; 4th Heat: Jim Zanelli, 0; B Main: Ray Mohri, 96; Jack Ricker, 9; Robert Wilhelm, 69; A Main: Jim Zanelli, 0; Jim Evers, 77; Jeff Griffin, 18.

### Bevos Bounced From Top By Double Loss

**By United Press International**  
The Portland Beavers, who had a brief look at first place in the Pacific Coast League during the weekend, returned home tonight to open a series against red-hot San Diego.

Portland went into first place by one percentage point Saturday night by walloping Salt Lake City 15-5 in a game which saw the Beavers score nine runs in the first inning.

But the Beavers were dumped out of the top spot Sunday by losing a doubleheader to Salt Lake City, 6-1 and 4-1. Portland is now 1 1/2 games behind pace-setting Sacramento.

San Diego defeated Vancouver twice Sunday 3-1 and 5-4 to move its winning streak to nine straight. Sacramento moved back into first and Phoenix took Seattle 5-4 in the other game.

George Perez held Portland to three-hits in the first game and Hugh Pepper scattered 10 hits to the Beavers in the second at Salt Lake Sunday.

The Portland pitching losses went to Tom Gorman and Art Houtteman.

San Diego, which once was at the top of the PCL before crashing to seventh place on the strength of two months of brutal baseball, is now only three and a half games back in a tie for fifth place with Phoenix. Seventh place Spokane is only five off the top.

Steve Jankowski and Dee Fondy provided the Padres with the batting punch that enabled them to sweep their pair with the Mounties.

The Solons banged out 12 hits off five Spokane hurlers in regaining first place. Bob Perry
