## LA Pitcher Ties Record For Game Strike Outs

United Press International  
It took Sandy Koufax a long time to develop but now that he has it may be just in time to put the Los Angeles Dodgers in the World Series.

A 23-year-old left-hander from Brooklyn who got a \$25,000 bonus in 1955 and once sprained an ankle when he "tripped over a foul line," Koufax Monday night pitched his way into the record book and the Dodgers to within one game of first place in the National League with a spectacular 5-2 victory over the San Francisco Giants.

## Neale Fraser Helps Aussies Regain Cup

FOREST HILLS, N.Y. (UPI)—Neale Fraser of Australia, who won the Davis Cup for his country with an easy conquest of big Barry MacKay, emerged today as the favorite for the National Singles tennis championships which start Friday.

Fraser needed only two sets Monday to take the cup back to Australia, adding them to the set he had won Sunday evening for an 8-6, 3-6, 6-2, 6-4 victory over MacKay. It gave the Aussies the deciding point in a 3-2 triumph over the United States.

"This will be known as 'Fraser's Davis Cup'," said the non-playing Aussie captain, Harry Hopman. "He won both his singles and shared in the doubles. You can't do any better."

Fraser, at 25 a veteran of seven years of international tennis, slowed his service somewhat from his Sunday pace and gained in accuracy. MacKay, a 6-3, 185-pounder, relied as usual on his power game and his big serve failed him.

The Dayton, Ohio, slugger was broken twice in Monday's first set, as he contributed three doublefaults in the first break and two in the other. He was broken again in the 10th game of the last set, and again hurt himself with a doublefault.

"Fraser played as never before," said Hopman. "But I still would not say he is now the world's best. Alex Olmedo, playing as he did at Wimbledon, must be considered. I would say they are 50-50. The Nationals should show which is the better man."

Most of the experts who watched the cup play felt that Fraser should be a clear favorite for the Nationals. Olmedo was unimpressive and far off his Wimbledon form.

## Tigers Work On Scrimmage Errors; Add Three Players

The La Grande Tigers started their second week of drills yesterday with a lengthy and rough afternoon session on the field. Thirty-nine gridders sweated through drills designed to correct the weaknesses found in the last Friday's scrimmage.

"We had lots of problems but still I would term the scrimmage quite successful," said Franz Haun, head coach.

The head-banging session gave the coaching staff a chance to evaluate weaknesses and Haun and his assistants were setting out to correct the errors before the season's opener Sept. 11 against Union.

Haun expects to welcome three

additions to the squad today. Mike Challis, just returned from a swimming trip to San Francisco, Larry Nee, who had been on vacation, and Jim Cornett, transfer student from Vale, are scheduled to report for practice this afternoon.

The Tigers worked out by position during yesterday's practice. Harry Mondale had his interior linemen working on blocking while Jack Rainey worked his ends in pairs.

Meanwhile Haun was working the backs trying to correct the mistakes of the scrimmage.

Emphasis swings back to defense in today's drill. Haun has stated several times that this was the weak point in last year's team. The majority of the week's work

was defense and the Tiger griders can expect more of the same this week.

Kenny Hildebrandt sprained an ankle in Friday's practice and will be out for two or three more days.

Dale Peterson rejoined the squad after spending most of last week on the sidelines with a pinched muscle in his shoulder.

Condition wise the team is in good shape and has progressed quite well in its first week of practice, Haun stated.

## Heavyweight Champ Makes Screen Debut

HOLLYWOOD (UPI)—World heavyweight champion Ingemar Johansson makes his screen debut in a Korean war drama that stars Alan Ladd, Sidney Poitier, Mort Sahl and James Darren.

Why is he taking time out of his boxing career for the movie? "The pay appealed to me," the ruggedly handsome Swede said at his home in Goteborg.

"The contract will be signed one of these days but it is already clear that I will go to Hollywood."

Columbia pictures confirmed that it asked Johansson to appear in "All The Young Men" but said no contracts have been signed yet. Just how much pay Ingemar will get is not known now.

## U.S. Sets Gold Medal Record Rate

CHICAGO (UPI)—The United States was piling up gold medals at a record pace in the Pan American Games today.

With 30 championships decided, U.S. athletes had won 26 of them and were favored to win most of the nine on the program for the fifth day of competition in this athletic carnival between the nations of the Western Hemisphere.

Monday, led by two Californians, Ray Norton of Oakland and Mrs. Earlene Brown of Los Angeles, each with a second triumph, the U.S. won eight of nine titles decided.

Norton, in world record tying time for the run around a turn, won the 200 meter dash to add to the 100 meter crown he had taken the previous day. The husky Mrs. Brown added the shot put championship to the discus title she had won previously.

## Six Sweeps In Track

They brought the total U.S. victories to 16 in the 18 track and field events which have been decided, and in 12 of them, the U.S. set new records for the Pan American Games.

They have scored six sweeps in track — first, second and third places — with every nation limited to three entries in the events. Three of them came Monday.

It wasn't only in track and field that the U.S. was doing well.

It won two more weightlifting titles — Tommy Kono of Honolulu in the middleweight class and James George of Akron, Ohio, in the heavy-middleweight class — and two in the English rifle shooting competition. Arthur Cook of Adelphi, Mo., won the individual title in that event and the U.S. took the team championship.

In track and field, the U.S. had

## Mounties, Bees Put Top Spot On Line

By United Press International  
The cup may runneth over in Vancouver and Salt Lake City tonight, win or lose.

Both clubs will put their highest interest in the Pacific Coast League's top spot on the line when they take on Portland and Phoenix, respectively. All parties will have the consolation of at least partaking heavily in the greenback department, near capacity crowds being expected in both parks.

Off recent performances, the Bees should still have at least a share of first place when the night is over. Phoenix dropped clear out of a race it was never really in when it was announced the Giant franchise would be transferred to Tacoma next year. The Arizona club is now firmly entrenched in last place, 14 games out of first.

Portland, despite a recent slump, has solid pitching and could give the Mounties trouble. The Beavers spent a short stay in the top spot and still are not

out of the pennant picture, despite a fifth-place standing. In other games tonight, San Diego will host Sacramento and Spokane takes on Seattle. San Diego is still very much in the pennant chase, trailing the leaders by only three games.

Only one game was played Monday night. In that contest, Sacramento kept its slim title hopes alive by shading Phoenix, 2-1, behind the tight pitching of Roger Bowman. The win nudged the Sacs to within six games of first.

Bowman stopped the Giants on six hits, giving up the only Phoenix run when Bob Speake belted his 7th home run of the season in the top of the fifth.

Losing pitcher Don Choate gave up only five hits, but lost it in the second when Mike Krsnich homered and Bob Perry and Clayton Dalrymple followed with doubles.

## Stewart Lundgren Adds Points In Far Western Swimming, Diving Test

By GEORGE CHALLIS  
Observer Staff Writer

Stewart Lundgren, La Grande Swim Club's outstanding 12-year-old, added more laurels to a highly successful swimming season by taking fifth and sixth places in the 50 meter butterfly and backstroke events at the Far Western Swimming Championships Saturday at San Francisco.

With the second place in the 50 meter freestyle which he took in Friday's events, Lundgren accounted for eight of the 13 points racked up by La Grande in the big swimming meet.

Bonnie Scott, second place winner in the 13-16 girls' diving on Friday, accounted for the other five points.

Lundgren won his butterfly heat in 37.4 and finished fifth in the finals in the time of 37.8. In the backstroke he won his

heat in 39.8 and cut the time by a full second to race the event in 38.8 in the finals, in which he placed sixth in an exceptionally fast field.

Steve Fedor, La Grande's second place finalist in the Oregon AAU in the 100 meter breaststroke, 13-14 division, was off his usual pace Saturday and swam the event in 1:31.5 to finish fifth in his heat. He did not qualify for the finals.

Mike Challis, who failed on Friday to qualify for the 100 meter freestyle, 15-16 boys, in the time of 1:06.9, swam the 200 meter men's freestyle on Saturday in the time of 2:36.8, 10 seconds better than his district record time, but failed to qualify for the finals.

The four members of the team, accompanied by the Keith Lundgren and George Challis families, returned to La Grande last night.
