he beetle-a dangerous pest of LOS ANGELES (UPI) - The stored grain-are in Arizona, Cal-iforoia, and New Mexico.

Action Against Opposition SEATTLE (UPI) Introduction of evidence was expected to be today in the multimillion dollar antitrust suit brought by one paws paper company against another and the International Typographical Union. Unitypo, Inc., and others conspired in an effort to drive the Herald out of business, leaving a monopoly for the News, morning paper published at Pasco, Wash.

Both newspapers circulate in the Tri-Citics area, home of the big Hanford atomic energy works. The Tri-City Herald began operation as a daily newspaper in 1947. The Herald was struck by

Pasco-Kennewick Local 831 of the ITU March 3, 1950. On March 14, 1950, the Columbia Basin News changed from a newspaper published twice weekly to a daily. The Scott Company charged something should be done to raise the \$590 average annual earnings of hired form workers "to some-thing approaching decency." "We must find supplementary employment for these workers are been already should be an arrive the Her-ald out of business and that the News was joined in the alleged conspiracy by ITU and Unitypo, inc., the corporate subsidiary of ITU: Seattle ITU Local 202: Pas-co-Kennewick Local 331; Alled

costs, for a total of \$7,125,569. Attorneys for the defendants de-

WASHINGTON (UPI) - A joint nied the conspiracy and main-House-Senate conference committee meets today to work out a fight between two newspapers and final version of a farm surplus disposal law. The bill is expected to include a food stamp program for usedy for the Herald, and Joseph A. Americans. The Senate earlier this earlier devices a survey a strength of the stren

year. The law authorizes export sales a jury by Judge William D. Murof surpluses in return for foreign ray, brought in from Montana to preside.

claim that a housewife was struck **Ike Considers** by a piece of a wingflap that fell Trip To India off a Boeing 707 jetliner.

Gilbert Gessler said he found WASHINGTON (UP1) - Presi- his wife, Evelya, 28, unconscious dent Eisenhower is seriously con-sidering making a trip to India following his visit to the Soviet Union this fall, it was learned. Informed sources said the Pres-international Airport near the ident has been giving thought to

Informed sources said the Pres-ident has been giving thought to the possibility of an Indian trip for about a year. They said that in the light of his forthcoming the balance discussion. But attendants said Russian journey it is being dis-cussed with a new sense of urshe showed no sign of having suffered an injury. Detective Sgl. Claude Everly

gency. But these sources said Tuesday said Gessler has given several difnight that no decision has yet been reached. They emphasized ferent versions of the ace dent. He also revealed a neighbor signed that there are several problems a statement claiming Mrs. Gessler and imponderables which could was in her nome when the small stand in the way of the Presi-wing section iell into the Gessler its dent's making an Indian stop-over as an adjunct to the trip to Russia yard. Mrs. Olivia Carr said she saw

a man walk into the yard, pick up the section and take it into the Gessler home.

Everly said he would continue his investigation "thea take the facts to the district attorney for his consideration in issuing a complaint against Gilbert Gessler for ssuing a false report.

## AMPUTATION TOO MUCH

LOS ANGELES (UPI) - A 69-yea -old man who had one leg amputated after an auto accident apparently committed suicide Mon day when told he faced the loss of his other leg. Ira Wiggs swallowed poison at

a rest home where he had been a patient since the accident last Dec. 10, police said. Doctors said he was told recently his remaining leg had failed to heal properly and probably would be amputated
