

MISSION ACCOMPLISHED—President and Mrs. Eisenhower leave the Washington National Airport in Washington, D. C., after the chief executive's return from a historic visit to Europe. Eisenhower stated that the Western leaders had "talked out" all their little differences over the Soviet Union. He said that while the West is "united in basic principle and purpose and in pursuit of peace," geographic distance leads to these small differences of procedure and method which the conferences ironed out.

George Hess Funeral To Be Held Friday

George Irvin Hess, a prominent Eastern Oregon businessman, died in the Emanuel Hospital at Portland, Tuesday, following a prolonged illness.

Funeral services will be held in the Methodist Church at Union, Friday at 2 p.m. Arrangements are under the direction of Daniels Funeral Home.

Mr. Hess came to Union with his parents, A. C. and Eliza Hess in 1907. In conjunction with his father-in-law, Tom Brasher, who became his partner, he built in 1919 the Oregon Trail Garage in Union. The garage has been in constant operation since that time.

In 1929, Mr. Hess became a member of The Oregon Trail Lumber Company, a Hess family institution, and worked in all capacities in the lumber business. In 1947 he purchased his father's interest in the company, associated his brothers, Henry and Leland, as partners, and assumed the active management of the business.

Mr. Hess has been, for many years, active in the business, fraternal and civic life of Eastern Oregon. He was prominent in sportsmen's groups and a fish and game conservationist. He was a militant fighter for good highways.

For many years he has been president of the Eastern Oregon Livestock Show Association. He was a Past Master of Grande Ronde Valley Lodge, 56, OF and AM, a member of the Royal Arch, Scottish Rite and Al Kadar Shrine.

He was a member of the BPOE, La Grande Lodge 433, the Union Chamber of Commerce and the Multnomah Athletic Club and the Royal Rosarians of Portland.

Surviving are the widow, Clarice Hess, Union, and the following brothers and sisters: Alma C. Hess Jr., La Mesa, Calif.; C. Ellis Hess, Boonville, Calif.; Henry L. Hess, Leland, F. Hess, Mrs. Lawrence Clark, Mrs. Arthur P. Koning, Portland; and Mrs. Iva Tyler, Ontario.

Senior — president, Jerry Baura; vice president, Mava Elliott; secretary, Janie Hibbeln; treasurer, Linda Adkin; and sergeant at arms, Tom Cox.

Bernstein Wows Reds With Jazz

By ALINE MOSSBY
UPI Staff Writer

MOSCOW (UPI) — Conductor Leonard Bernstein jazzed up a party for classical music lovers Wednesday night by hammering out a boogie woogie concert. It was riotous from Squaresville but the Russians loved it.

Bernstein, who is fast surpassing Vay Gilyarsky as the darling of the Moscow music world, fascinated the Russians by exhibiting his jazz talents at a party given by the Soviet culture minister for the New York Philharmonic Orchestra, which is nearing the end of its engagement here.

The Russians first entertained the Americans with violin music, Red Army dancers, and a puppet show. Then it was the Americans' turn to take the stage.

Nine members of the Philharmonic started a jazz session that had the Russian guests smiling and sitting on the edges of their seats.

The Philharmonic jazz was on the square side, but it got an ovation from the Russians and good-natured boogie from Americans in the audience. Then Bernstein chose the classic jazz set-up of piano, bass and drums.

"I don't know what will come of this," he confessed as he sat down at the piano.

What resulted was a display of boogie woogie virtuosity that drew loud applause from the Russians. It was outdated, but good.

Unemployed In Big Dip Last Month

WASHINGTON (UPI) — Unemployment dipped by 318,000 in August while the number of persons holding jobs set an August record of 67,241,000, the government reported today.

Layoffs caused by the long steel strike and by early model changeovers in the automobile industry prevented an expected seasonal drop of about 50,000 in unemployment ranks.

The Labor Department estimated some 145,000 workers in railroads, coal mining, construction and primary metals were laid off because of the steel strike, now 59 days old. An additional 80,000 auto workers were idled when plants shut down unusually early to retol for production of 1960 models.

The August unemployment total was 3,426,000 compared to 3,744,000 in July.

In proportion of the total labor force, the number of jobless rose from 5.1 per cent in July to 5.5 per cent in August.

Seymour Wolfbein, the Labor Department's job expert, said that except for the steel strike and auto changeover the basic job picture last month was "very good."

He noted that the number of non-farm jobs rose by 115,000 to 60,004,000 — a record high for any month. But farm employment was down by 468,000, dropping the overall job total to 7,241,000. This was the highest level for the month ever — well above the previous high of 6,421,000 posted in August, 1956.

Another favorable development cited by Wolfbein was a further decline in the number of workers unemployed for 15 weeks or more.

BLAST DAMAGE—This is what remains of the fire chief's city-owned station wagon after dynamite explosions destroyed it and two office buildings in Little Rock, Ark. The bombs destroyed the Little Rock School Board office and the mayor's office. There were no injuries reported.

Long-term unemployment dipped by 34,000 to 703,000.

Union School Enrollment Up; Officers Picked

UNION (Special) — Union Schools' registration is down a little compared to last year, states John Comisky, school superintendent.

The grade school has 283 pupils and 123 are registered in the high school, 27 freshmen, 30 sophomores, 30 juniors and 30 seniors.

There will be a Pep Rally and Bonfire to celebrate the beginning of the football season, Thursday at 7 o'clock. The first game will be with La Grande, at La Grande, Sept. 11 at 8 p.m. The first PTA meeting and teachers reception will be at the S. E. Miller school—Sept. 15 at 7:30.

The high school has also named class officers. They are: Freshmen — president, Denny Long; vice president, Sara Jane White; secretary, Judy Jacob; and treasurer, Howard Wilde.

Sophomore: President, Douglas McConkie; vice president, Dan Baxter; secretary, Larry Morgan; treasurer, Bob Drake; and sergeant at arms, David Rampton.

Juniors — president, Don Carmon; vice president, Pat Edvalson; secretary, Sharon Bauer; treasurer, Cabell Neilson; and sergeant at arms, Kathy Edvalson.

Senior — president, Jerry Baura; vice president, Mava Elliott; secretary, Janie Hibbeln; treasurer, Linda Adkin; and sergeant at arms, Tom Cox.

Engineer's Reports Given Nod By City

The city commission approved three ordinances adopting the city engineer's report for water and street improvement districts at their regular meeting last night.

The water main improvement districts are on Alder St. between E and H avenues and on Folley St. between Spring St. and a point approximately 132 south of Adams Ave.

The street improvement district is between L and M avenues on Alder St.

The commission also heard the first reading of the two other ordinances in full. They were read a second time in title only.

Ordinance No. 1908 deeded property to the State of Oregon Military Department for expansion of armory facilities. The property lies northwest of the present site and extends along the railroad tracks. The city maintained title to the strip of land 80 feet wide between the tracks and the deeded property.

The second new ordinance for adopting the engineer's report for a street improvement district will be given a third and final reading next week. The district is on K Ave. between 11th and 11 1/2 Streets.
