

It's

Time!!

DRIVE CAREFULLY

Help improve our local Safety Record! Drive carefully! Many children go to school for the first time! Don't let it be their last! Your caution can save a Child's life!

- **DRIVE EXTRA CAREFULLY** around schools and playgrounds! Be on the lookout for children when they walk to and from school! Your vacation from school children is over NOW!
- **BE ON THE ALERT!** when you are near a school bus. Of course they have to obey all traffic rules! . . . BUT give school busses a break anyway! . . . They carry a precious cargo!
- **PARENTS . . . NEVER STOP TELLING** children about the many traffic dangers! Only then can we hope to help reduce traffic fatalities! One out of every seven fatalities involves a school child! One out of every ten fatal accidents is caused by a teenage driver!
- **DRIVERS . . . DON'T HURRY** when you drive! We may as well face it! We cannot reduce traffic casualties unless we slow down! The lives of others are in the hands holding your steering wheel. The minute you may save, isn't worth the life of a school child!
- **HAVE YOUR CAR CHECKED** by an expert! Any car that is not in perfect mechanical condition is a potential murder weapon! The few dollars you spend may save a life!
- **PULL OFF THE ROAD** when you're tired, and take a nap! **DON'T DRIVE** at all when you've had a drink! Drowsiness and drinking are responsible for most fatal accidents!
