NEW YORK STOCKS
 NEW YORK (UPI)—Stocks regained virtually all of Tuesday's losses in moderate trading today. Most sections took part in the rise. Electronics featured with gains of around 2 points in Texas Instruments, IBM and Litton. Shares of the steel firms firmed. Bethlehem rose a point and U.S. Steel and Youngstown large fractions.

Motors held steady as did oils, rails and utilities. Strong spots in the metals were Reynolds, up 1/4, and Alcoa, up 1/8. Rubbers were good with Goodyear and Firestone both up more than a point. Allied Chemical lost 1/4 in the chemicals while DuPont and Union Carbide added fractions. Bell & Howell and Polaroid both jumped nearly 2 in the cameras.

Steelmen Stage Another Meeting

NEW YORK (UPI)—Steel contract negotiators meet again today in an attempt to break the deadlock in the 64-day-old nationwide steel strike.
 Negotiators representing 12 major steel producers and the United Steelworkers union met for two hours Tuesday, but there was no indication that they made progress toward settlement of the strike.
 About 3,000 members of the USW went on strike at four Worthington Corp. plants in New Jersey Tuesday as the result of deadlocked contract talks. The plants at Harrison, Plainfield, East Orange and Newark have individual contracts with the union.
 The union continued its negotiations here with the American Can and Continental Can Companies for a new contract to replace one that will expire Sept. 30. The talks affect 50,000 employees of the companies.

Typhoon Kills Six Persons, Injures 33

NAHA, Okinawa (UPI) — Six persons were reported killed and 33 injured today when typhoon Sarah slammed into tiny Miyako Island with winds up to 150 miles an hour.
 Ryukyu Island police reported 1,460 homes on Miyako were destroyed by the typhoon, which hit with full fury Tuesday night. Another 1,464 houses on the island were damaged.
 Four five-ton fishing boats were reported sunk and seven damaged.
 In Tokyo, weather forecasters said the intensity of typhoon Sarah was decreasing as it raced up toward the western coast of Korea, which it was expected to strike tonight. Japan was also threatened.
 U.S. military installations on Okinawa remained shuttered for the third straight day today in the wake of Sarah's fringe winds, which whipped heavy rains across the Ryukyus.
 Okinawa was out of danger of being directly hit, however.

Research Center Getting Ready For Visit From 'K'

WASHINGTON (UPI) — The Agriculture Department's big research center at Beltsville, Md., was getting ready for an important visitor—Soviet Premier Nikita Khrushchev.

The Soviet chief was scheduled to visit the center Wednesday morning with Agriculture Secretary Ezra T. Benson.
 Khrushchev won't see much of the 11,000-acre Beltsville research station. The visit is to last one hour and 40 minutes. It will include demonstrations on research in fields like animal breeding, weed control, and the effect of light on plant development.

formed originally with federal capital. Their ownership, however, is moving into the hands of farmers. The farmer-borrowers gradually paid back the federal capital.
 Clyde T. Ellis, general manager of the National Rural Electric Co-operative Association, disclosed in his group's magazine that REA co-op leaders now are studying this plan.

WASHINGTON (UPI) — Rural electric co-op leaders were reported today making a study of the administration's proposal to set up a bank for Rural Electrification administration co-ops along the lines of banks in the farm credit system.
 The credit system banks were
