Steelworkers **View Meeting** As Hopeless

PITTSBURGH (UP1) - United Steelworkers President David J. McDonald said today he was 'not hopeful" that White Houseordered negotiations could bring a swift end to the marathon steel strike

The union and 12 basic steel companies resumed deadlocked negotiations today. Before entering the conference room, Me-Donald said:

"I am afraid I am net hopeful." The industry bargainers refused to comment. Both sides also refused to com-

ment after emerging from the morning session which lasted about 90 minutes. They said they would meet again this afternoon.

A source close to the negotia-tions told United Press Internaduring the dinner is a fashion tional that the two bargaining sessions here Thursday may have resulted in a "change" of think-
