### OUTDOORS: AROUND-ABOUT

## MALHEUR ARCHERS FIRE RECORD RATE

Archers in the Hart Mountain and Malheur refuges had good luck during the short season scheduled.

Thirty-four deer were taken in the Hart Mountain refuge by more than 450 archers who checked through the refuge. Hunter success was 7.5 per cent, above average for archery hunters.

Malheur archers were red-hot taking 53 deer during the two-day season. Hunter success was 15 per cent, highest ratio in Oregon for bow hunters.

**Land Slide Takes Ramp**  
A land slide that occurred about two weeks ago knocked out the concrete boat ramp at Owyhee reservoir. Anglers are urged not to attempt a boat landing at this site.

Debris ranges up to five feet over the ramp and a large section of earth and rock dropped down from under the ramp.

Preliminary surveys indicate permanent damage to the installation, according to P. W. Schneider, state game director.

**Waterfowl Get Head Start**  
Waterfowl gunners have a three-day head start on the upland game hunters this year. The duck and goose season opens at noon next Wednesday and upland game season starts at 8 a. m. Oct. 10.

The season for waterfowl will extend through Jan. 8 and upland game is scheduled to end Nov. 15. A synopsis of the upland game and waterfowl regulations, available at all license

**HUNTING REPORT**  
Hunters should carry chains as Eastern Oregon has had much rain and some snow the past weekend. Roads at present are muddy and slick. Hunting conditions are good, however, due to the rainfall in the area. Better hunting in Umatilla county may be found on the north fork of the John Day river, Pearson Lookout, Cable creek, Upper Camas creek, Jericho creek, Battle Mountain, Upper Meacham creek, Upper Umatilla and the Walla Walla river area. The latter area has some big bucks but is harder to hunt because of lack of roads and the steep terrain.

Good deer hunting is anticipated in all of Baker and Union counties except in dense stands of timber. Best prospects will be in sagebrush and open timber. Hunting above timberline will be productive if storms subside for several days.

Fresh snow falling during the early part of the week have made roads muddy and hunters must carry chains in Walla Walla. Better hunting areas in Walla

By NEIL ANDERSON  
Observer Staff Writer

The La Grande Tigers face their toughest game of the still young prep season when they entertain the big, brawny Lava Bears from Bend on the high school field tonight.

La Grande will open up its split-T attack in an effort to push across the touchdowns they missed against Redmond last week. The Tigers' stone wall defense, meanwhile, will be fighting to stop the offensive slants of Robert Bjorvick and the passing of Larry Carter, the Bear quarterback.

This will be the first meeting between the two teams and La Grande will want to make the initial encounter a victory for the home forces. The Bears are tied for the league lead with one victory against no losses following the first week of play in the new Intermountain loop. The Tigers will be striving to even their record at the 500 mark.

"We have good team attitude and that will make a difference," commented Tiger coach Franz Haun.

The Tigers will, for the first time this year, face a team that outweighs them. La Grande's forward wall lead by Buck Corey (200) and Gary Voruz (200) will be similar to the outfit that opened the first three games for the Tigers.

Dennis Spray (170) will be at the other flanker spot. Don Graham (190) and either Ron Coleman (190) or Lonnie Myers (180) will open at the tackle spots. Voruz will be at center and Laurence Smutz (195) and Greg Blackman (175) will be at the guards.

Ray Westenskow (175) will direct the Tigers' attack from the quarterback spot. Jim Cornett (165) will be at the left halfback spot and Dave Carman (175) will operate at the opposite side.

Power man in the Tiger offense will be senior fullback Don Smith (175). All four Tiger backs are speedy and Westenskow is fast becoming a master of the roll out on the split-T attack.

Corey the top pass matcher for the Tigers will be on the receiving end of most of Westenskow's passes and the Lava Bears will be wary of letting the big, bruising

county are Flora, Paradise, Joseph creek area, Day Ridge, Harle Butte, Beaver Ridge and Hat Point.

Chesnimus area should be fair. Any area above 5,000 feet will probably have snow the beginning of deer season.

Rain in Grant county has made hunting conditions excellent. Deer are out of the heavy brush and well scattered throughout the summer ranges. Both large and small bucks are numerous. Best success should be found on main ridges and peaks from Aldrich mountain east through Dry Soda and Logan valley in the Murderer's creek unit. Baldy and Sheep mountain should produce some good bucks in the Beulah unit.

The Northside unit from Dixie mountain West through Camp creek and Long Creek mountain should be good. Vinegar mountain, Indian Rock and Desolation creek in the Desolation unit should provide good hunting with deer being numerous at medium and higher elevations.

If more rain should fall this weekend only main roads in Grant county will be passable. Chains are advised for all vehicles. Deer are scattered, abundant, and in good condition in Wheeler and Heppner units. Some of the better producing areas will be the breaks of the John Day river and its tributaries, Ditch, Willow and Skookum creeks, Kahier basin, the Notch, Kinza and lands adjacent to alfalfa fields.

**WATERFOWL HUNTING**  
Waterfowl hunting opens at noon Oct. 7. Good duck hunting should be found in Baker and Union counties. Ducks will be available on the main John Day river and in dredge ponds in Grant county.

A number of geese are also to be found in the Kimberly area. Waterfowl hunting in Gilliam, Morrow and Wheeler counties will be poor until the weather becomes adverse and the northern flights move into the area.

hot-dogged it around the bases after that fourth inning homer. Boy, I was really in clover trotting around those bases.

The thing that really pleased me was that my wife was out to the park and practically the whole town of Argo. What do you mean you never heard of Argo? It has a population of 10,000 and it happens to be right here in Illinois. It also happens to be my hometown.

Apart from my hitting, I fell

runner get too far into the secondary.

Elsewhere in the conference, Pendleton (1-0) travels to Prineville (0-0-1); Baker (0-1) plays host to Redmond (1-0); and Hermiston (0-0-1) travels to The Dalles (0-1).

## Big 'Klu' In Clover With Hits

(EDITOR'S NOTE: Ted Kluszewski, who has been with the White Sox only 38 days, paced them to an 11-0 victory over the Dodgers in the World Series opener Thursday with two home runs and a single. He gives his impressions of the game in the following dispatch.)

By TED KLUSZEWSKI  
As Told To UPI

CHICAGO (UPI)—That wasn't too bad for a start, but what do I do now for an encore?

When you've been around the majors as long as I have, you don't feel there are many thrills left in store for you. This was by far my biggest one, though.

Here am I, a guy who has spent practically my entire career in the National League and never dreamed—not until a week ago, anyway—of ever getting in a World Series anymore.

And to start it off like this—well, sir, I don't think I can ever top it.

I didn't think that first homer of mine was going all the way in the third inning. I thought it was going to come down short. There wasn't any question in my mind about the second one, though. I knew that was gone for good.

Happy? Didn't you notice how I

## UO Picked To Whip Cougars

(Reg. U.S. Pat. Off.)  
By OSCAR FRALEY  
United Press International  
LOS ANGELES (UPI)—Fraleys' follies—along with a few rambling observations on the National League pennant scramble.

**GAME OF THE WEEK**  
Northwestern over Iowa—This is looking for the upset, what with Iowa rated a two-point favorite, but Dick Thornton and the Wildcats showed a devastating attack in walloping Oklahoma—despite that foul poison excuse—and this could be the team of the year.

**THE EAST**  
Pitt over UCLA—It's easy to understand why there was a National League pennant playoff.

Princeton over Columbia—Neither the Braves nor Dodgers looked as if they wanted to win.

Dartmouth over Penn—The blue-plate special.

Also: Syracuse over Maryland, Yale over Brown, Penn State over Colgate, Holy Cross over Villanova, Cornell over Lehigh, Harvard over Bucknell.

**THE MIDWEST**  
Army over Illinois—Joe DiMaggio would have hit 100 homers in the Coliseum.

Michigan State over Michigan—The left field fence is a horror.

Indiana over Minnesota—It's a very easy nine iron shot.

Also: Purdue over Notre Dame, Missouri over Iowa State, Kentucky over Detroit, Wisconsin over Marquette, Baldwin Wallace over Toledo.

**THE WEST**  
Ohio State over USC—The Dodgers went into the second playoff game as if they had it won.

Nebraska over Oregon State—The Braves were a grim-faced lot.

Oregon over Washington State—They looked like a husband who had just put the best dishes in the clothes washer by mistake.

Also: Washington over Utah, Wyoming over Utah State, Idaho over Arizona, Brigham Young over Montana and Colorado State over Denver.

**THE SOUTH**  
LSU over Baylor—The World Series attendance record for one game is Cleveland's 66,288 in 1948.

Duke over Rice—Los Angeles had 3,103 for Campanella night.

Miami over Florida State—They'd have trouble beating that even in the World Series.

Also: Clemson over Georgia Tech, Tennessee over Mississippi State, Georgia over South Carolina, Auburn over Hardin-Simmons, West Virginia over George Washington.

**THE SOUTHWEST**  
Texas over California—Win, lose and no draw, the ball players are glad it's almost over.

TCU over Arkansas—The losers are sorry for the team that has to expend all that energy in the series.

SMU over Navy—As the man said, it's only money.

Also: Air Force over Trinity, Oklahoma over Colorado, Texas Tech over Tulsa, Texas Western over New Mexico, Arizona State over Montana State.

good because I finally got a uniform tailored with the sleeves cut short—just like I used to wear when I was with Cincinnati and Pittsburgh.

The White Sox didn't have a uniform like that when I came over to them from the Pirates last August 25th. They got me one for the World Series, though.

Am I going to wear the same one today? Are you kidding?

## EOC Opens Slate Against Wolves

Eastern Oregon college opens its 1959 Oregon Collegiate Conference season tomorrow night against the Wolves of Oregon College.

The two teams will kick off the OCC schedule at Monmouth with an under-the-lights encounter scheduled for 8 p.m.

The Mountaineers will be putting their first place standing in conference team rushing on the block against a scrappy OCS outfit that last week held powerful Humboldt to an 18-6 margin.

EOC for the first time in three years leads the OCC in team rushing, according to statistics released yesterday. Arch Dunsmuir's Mountaineers have rushed for an average of 153 yards per game to edge the first week's leader, Oregon Tech, by one yard.

Tech continues to hold the total offense lead while Southern Oregon still leads in the team passing department.

The Wolves survived their meeting with Humboldt without injuries and will be at full strength for the opener. EOC, meanwhile, has Jim Neece and George Aliverti serviceable but handicapped by minor injuries.

Coch Bill McArthur's charges still must find an offensive backfield that can add to the scoring punch and some defensive secondary men to contain passing attacks more effectively.

A trio of sophomores will lead the inexperienced Wolves against the Mountaineers. Defensive end Frank Colburn and linebackers Don Habel and Francis Tresler will be out to stop Jerry Williams.

**Wallowa To Host Bobcats**

WALLOWA (Special)—"Nobody can tell what will happen in the games that are still to be played but we have a good start. I can say that we have good material. We have speed, weight and our reserves are deep. I'll tell you more about it after the game," commented Wallowa coach, Don Wilson.

The first game, a non-conference tilt, resulted in a 26-0 win over Enterprise. Last week Wallowa blanked Pilot Rock, 34-0.

Today Enterprise tangles with Union in an afternoon game at Wallowa.

"Union has always given us a tough time," said Wilson.

**North Powder Gains Last Minute Win**

**NORTH POWDER (Special)**—The North Powder Badgers wrung out a 13-8 victory over previously unbeaten Richland last Friday.

The two teams battled to a 0-0 standoff at halftime before the Badgers jumped into the lead. Barry Gekeler took a Richland kickoff and ran it back 60 yards for the Badger's first score. Dennis Patterson kicked the extra point.

Richland went ahead following a TD by Rick Malone and a running play good for two points and an 8-7 lead.

Dennis Patterson dodged across the goal line with 1:45 left in the game for a 13-8 victory.

## Ex-Marine Leads In Centennial

PORTLAND, Ore. (UPI)—Nearly 100 golf professionals set out on the second round of the \$20,000 Portland Centennial Open today in pursuit of a young ex-marine.

Tommy Lema, 25, of San Leandro, Calif., broke out of a summer-long slump Thursday to show the field his heels with a seven-under-par 63 on the velvety fairways and greens of the Portland Golf Club.

He had a two-stroke lead over the field in his quest for \$2,500 first money, and \$100 already in his pocket in first-day lap money.

Sponsors of the tournament, 20 young Portland business men who hope to make Portland a regular stop on the Professional Golfers Association schedule, posted the daily purse—unique this year among PGA tournaments.

They also offered \$50 for holes in one, and a homeliner, Harvey Hixon, promptly earned it with the first ace of his life on the 139-yard fourth hole.

**Lema Slumped This Year**  
Lema, who made his first pro tour last year and won more than \$15,000, slumped badly this year after a winter operation and has won little more than \$5,000. His highest finish was a tie for 10th in the Texas Open.

He suffered two bogeys Thursday with three-put greens, but countered them with a five-foot putt for an eagle on the 323-yard fifth hole, and fashioned seven birdies. His finest shot was a chip on the 18th which stopped two inches from the cup.

Closest to Lema at 67 were Jay Hebert, Sanford, Fla., and Jim Ferree, Crystal River, Fla. Seven were tied for fourth with 68's—Al Bessellink, Grossinger, N.Y., Ray Honsberger, Seattle; Bob Duden, Oswego, Ore.; Bill Maxwell, Odessa, Tex.; Smiley Quick, Los Angeles; Dick Knight, San Diego; and Frank Stranahan, Crystal River, Fla.

**Casper In Contention**  
U. S. Open Champion Billy Casper Jr., of Apple Valley, Calif., and PGA champion Bob Rosburg, Palo Alto, Calif., were in contention with a 69 and a 70, respectively. Don January, Denver, and Marty Furgol, Cog Hill, Ill., also shot 69's.
