about 12 million people whose very existence is one of the most remarkable facts of history. These people are the Jews They trace their lineage back nearly 3,500 years to a Mesopo tamian nomad named Abraham. The survival of this family as a conscious entity through 35 cen-turies of dispersion and ruthless persecutions would be hard enough to explain. But the mys-tery does not end there. For the Jewsh population of the globe They' have placed an indelible mark on the whole of Westerr it's noblest ethicia, ideals as well.
