Gauri Sankar has never been scaled and is considered unscal-able from the Nepalese side. of finding the missing climbers of finding the missing climbers Guests for the evening were If the 32 climbers have been in the vast white wilderness was buried under an avalanche, as it, considered almost impossible was feared, the tragedy would be the worst in the history of blizzards shriek across the raw slopes of Gauri Sankar, and with A "Dutch Lunch" was served

Collapse Of **Roof Killing** Four Probed

Four Probed MONTREAL (UPI) - Police and civil defense officials blowed mountaineer: Moriaki Abe, 29: Receive Caps Sarah and Susan Rich of La Grande, were two of the 36 studthrough tangled steel girders to and Koji Onishi. 21 Also missing day in search of the cause of were two Sherpa guides, a Nepal-the collapse of an almost com-pleted factory roof that killed and 26 porters.

Johnson and Johnson Friday aft- a mountaineer of her husband's berger was present at the exercier an estimated 1,200 tons of wet experience might be missing. She cement had been poured in forms, said she refused to believe it. Construction work on the 150 by 100 foot addition had been sched- Leadership Topic

uled for completion Friday night Clearing operations continued For Methodist throughout the night as all of the counted for By midnight Friday night, the concrete which was a wet mass earlier in the day, had stiffened necessitating the use of giant cranes to claw at the rocklike formation.

The victims were identified as Andrew Kish, 58, Aime Monette, 45, Jack Meneguizzi, 23, and Aquilar Philipo, 48, all of Montreal. All were employed by Louis Donolo Construction, Inc., contractors for the job.

Kish's body was recovered from the debris early in the afternoon, and the other two early Friday night. Philipo was alive when pulled from the hardening Hospital.
