

Mounties Go Against Grays Harbor In Last Grid Game

By NEIL ANDERSEN
Observer Staff Writer

Eastern Oregon College's rugged little band of Mountaineers faces another junior college 11 to night as the 1959 collage grid season swings into its final weeks. The Mounties go on against Grays Harbor JC in a flood light contest in Aberdeen, Wash.

The Chokers finished the deal last in the Washington JC league but still back a potent offense. Grays Harbor was averaging 25 points a game until last week's

game with Wenatchee. The Wenatchee crew topped Grays Harbor 30-0. Wenatchee also defeated the Mounties earlier in the season, 25-13.

On the season, Grays Harbor is 1-5-1. Their only victory was an 85-0 walloping of little George Fox College. The tie was a 13-13 deadlock with Yakima JC, second place finisher in the league.

Two of the Chokers' defeats came within the last 35 seconds of the game. Olympic JC squeezed out a 26-19 victory after the Chok-

ers had lead most of the way in the contest.

A former Oregon prep grid star from Astoria paces the Grays Harbor winged-T attack. Ron Osborne from Astoria, a performer in Portland's Shrine classic last fall leads the team in total yardage rushing and averages 7.0 yards per carry.

Osborne's running mate at halfback, Jerry Johnson of Hoquiam, is a former Southwestern Washington league all-star. Johnson and Osborne form the nucleus of the Chokers' strong running attack.

Dunsmuir will be out to do a little choking of his own with his new found offense strength. Gene McKinney and Rick Larson, the heroes of last week's victory over Westminster, will be leading the EOC offensive display. Dean Whitely and Sam Clack will also open in the starting backfield.

SELECTED—E. Robert "Bob" Quinn, Eastern Oregon College director of athletics and head basketball coach, has been named to the National Basketball Advisory committee of the National Association of Intercollegiate Athletics. The announcement was made by Chairman Rex E. Pyles, Alderson-Broadus College, Philippi, West Va. Quinn begins his 35th year as a basketball coach, his 31st at EOC, this season.

Wimbledon May Turn 'Open' Tennis Tourney

LONDON (UPI)—When tennis buffs gather at the All-England Club next June, they may be watching the last "Simon Pure" Wimbledon tennis championships.

Willmarth weighs in at 197, May, 196; Salter, 218; and Kecker, 185. The Mounties will be seeking their fourth victory of the season against Grays Harbor and a 4-5 season mark. The Chokers can be expected to be seeking revenge for last year's 20-13 defeat at the hands of EOC.

B. McKay Moves To Jap Net Finals

TOKYO (UPI)—Big Barry McKay's booming service overwhelmed second-ranked Raymond Deyro of the Philippines, 6-0, 4-6, 6-2, 7-5, today in the semifinals of the 35th Japan national tennis championships at Denen Coliseum.

MacKay required only 30 minutes to conclude the fourth and final set of the match which was interrupted Friday in the third game of the fourth set by rain.

ON THE LINE

Neil Andersen

The National Rifle Association recently published a report on the causes and circumstances surrounding hunting accidents with firearms and the persons involved in these accidents. The figures were compiled from 3,240 reports from 36 states and two Canadian provinces.

The figures bear out the contention that carelessness by the hunter is the greatest single cause of accidents and should awaken a sense of self preservation in the most careful of nimrods.

Experience is no protection against an accident in the woods according to the survey. Hunters with more than three year's experience are involved in 72 per cent of the accidents that occur. However, 45 per cent of the shooters involved in accidents are under 20 years of age. There are many possible answers to that particular point but how many of these could have been avoided if teen agers were taught the proper procedures of handling firearms?

The teen ager can't bear the blame alone when a responsible adult doesn't take the time or effort to teach a potential hunter. The percentage of persons involved in accidents by age shows a steady trend. The older the hunting group the less likely the person will be involved in an accident. In the 20-29 group, 22 percent fall victim to accidents. The 30-39 bracket is responsible for only 14 per cent of hunting accidents; 40-49 year old hunters are involved only 10 percent of the time.

A meager five per cent of the 50-59 age group are involved while those over 60 run only four percent.

The survey reveals that unintentional discharge is the cause of the accident 54 per cent of the time. Intentional discharge was responsible for 46 per cent of the accidents.

The greatest single cause of accidents is the victim being out of sight of the shooter. Sixteen per cent of the survey's reports indicated this as the reason for the accident. A shooter stumbling and falling accounted for nine per cent of accidents occurring by unintentional discharge.

The solutions to these problems seem fairly obvious. They require a little time and thinking by all hunters.

If the proper care and preparation isn't taken you may possibly be in the fatal 16 percent of hunting accidents.

"IF" FIGHT DATE
SAN FRANCISCO (UPI)—Yvon Durelle of Canada has an "if" date to meet Carl (Bob) Olson in a 10-round light heavyweight bout here Dec. 10.

A spokesman for matchmaker Bennie Spok said the fight will be called off if Durelle gets badly cut or is stopped in next Monday's encounter with George Chuvalo at Toronto.

MINOSO FRACTURES WRIST
HAVANA (UPI)—Outfielder Minnie Minoso, a .302 hitter for the second-place Cleveland Indians last season, suffered a small fracture of the left wrist Thursday while playing in the Cuban Winter League.

A spokesman for the Marianas club said Minoso will be sidelined about two weeks as a result of the injury.

Wallowa Loses To McEwen

Undated Oregon Prep Football By United Press International

The post-season favorites rolled on merrily Friday as the top three classes of Oregon high school football passed the quarterfinal playoff stage.

Powerful Medford fought hard for two touchdowns to take a 13-6 win over Marshfield in one of the three A-1 games. Jefferson overwhelmed Sandy 70-7 and David Douglas defeated St. Helens, 20-6. An A-1 contest tonight pitted South Salem against Pendleton.

Seaside bumped Willamina in an A-2 quarterfinal, 32-28, and Coquille dented Reedsport 20-13. Phoenix disposed of Junction City 34-19. An afternoon game was on tap between Vale and Woodburn at Vale.

In Class B, Yoncalla blanked Harrisburg 39-0; Knappa beat Jefferson 28-21 and McEwen defeated Wallowa 25-6. A night game today had Sherman in Medford to play St. Mary's.

Two six-man semi-final clashes, both afternoon games, were St. Paul and Westfir today and lone at Sisters.
