

PLAIN AND PLAID ROBE—Robe for Christmas giving is this one in washable Cone corduroy. Houndstooth check in red is set off by doiman sleeves and wide, flat collar in solid knit cotton.

Accessory Gift Lines Are Varied

Men's accessories are so exciting this year, they are bound to make great gifts.

Belts, for one thing, are really different—now combining leather with print fabric, or more than two kinds of leathers.

Hats this season feature very narrow brims in most all of the favorite crown styles, and fabrics and colors are richer than ever!

Billfolds, too, offer a lot of variety—beyond the regular styles which are even more luxurious.

Then there are the new bill holders. These are offered in leathers and in the Ivy print fabrics. To go with them, there are leather or cloth card cases with accordion-clear plastic holders.

With the onslaught of credit organizations, most men today need these extra large card holders.

Ties are still the narrow models of the past, but there are a host of new patterns. Large diagonals that make plaid patterns will be good in bold or subdued hues.

It is not as difficult to select the right tie as the jokes lead us to believe! Tell the salesman whether your man is more conservative or rather gregarious... whether he prefers blue, brown, grey or some of the newer Ivy colors. He will then be able to show you the ties that are sure to please.

DETERMINED MAN

ATLANTA (UPI)—Police said Luther Calhoun Hall, 24, got what he wanted after he walked into a restaurant, announced, "I want to go to jail" and then poured a bottle of beer on the head of a woman seated in a booth.

FOR THE MAN—A robe (above) to relax in, and the perfect seasonal gift in shirts (below).
