Casual Togs Top Male Want List

Casual clothes for men have never been more handsome. Slacks and sports shirts especially, both fine for gifts, are new-looking and good looking.

Slacks are newest both cuffless and beltless. Pockets are different here too, with western-style variations and the slash types cut-standing.

Slacks are now available in big bold plaids and other unusual-for-men patterns, as well as the more conventional solid and muted patterns.

In shirts there is the choice of heavy, like wool, or light, like cotton, in either short or long sleeves.

The big news here is that there are so many styles, patterns and colors. You are sure to find a sports shirt that the man on your list will really like.

The cover ups for these casual outfits, sports coats and jackets, offer a wide range for your selection too... and the choice is better than good.

The Continental, of course, is the biggest favorite in sports coats... and fabrics are rich, colors muted.

Newest in jackets are the outside-quilted ones. Many have pile hoods or collars.

Check the new wash 'n' wear slacks and shirts too... these will certainly be appreciated.

Pope John's Birthday

VATICAN CITY (UPI) — Pope John XXIII quietly celebrated his 78th birthday today by treating it as any other working day.

The pontiff was up before dawn to say Mass in his private chapel.

Christmas Turns Into 'Swap' Time

Though everyone knows the religious significance of Christmas, often the deeper meaning is lost in the round of gift buying, gift wrapping and gift exchanging.

Often the holiday is a trial of anticipating gifts for all potential "givers." It becomes a bit of a "swap" time with "I want something for Mary this year, after all she did give me that embroidered cloth" or other.

But most important of all, more than 230 million people observe the natal day of He who is considered the greatest religious leader in history.

Although in the 1,959 years following His birth, the Christmas celebration has come to be a potpourri of ancient pagan ceremonies as oft-told Christmas legends point out, the essence of the day is still omerdanta-piddid is "it is more blessed to give than receive."

And, this simple statement gives credence to the jolly old Santa who represents the spirit of giving at Christmas.

As the Christmas bells ring out the message of peace and goodwill, brotherhood and tolerance, giving and forgiving come to the fore in His name.

Indulgent adults say "Christmas is for the children" but it is the elders who set moods and patterns of the observance.

Make this a real Christmas! Unite the family tree trimming festivities... sing the old carols and listen well to the words...

Dress Shirts For Holiday Male List

One of the sure-fire gifts for Christmas that always will be appreciated by the men on your gift list is a shirt.

Whether the recipient is six or sixty, he'll always be glad to add one or more dress shirts to his wardrobe.

There are quite a few shirt ideas to choose from. There appears to be a collar and a fabric to go with all the variations in the clothing picture.

Some of the typical ideas range from wide spread collars to new tabs. It makes selecting a shirt a little bit more difficult, however, to find out what type of a shirt is preferred.

Big news in men's dress shirts was made by the revival of fancy fabrics, fancy patterns, fronts and cuffs. Stripes appear with broken dobby accents... bamboo and pinks have joined the color parade. Many shirts feature pleats, contrast plackets and even embroidery.

Utility takes a backseat to fashion, and you can be sure to please the men on your list with a dress shirt, whether they wear Ivy or the Continental style!
