

Santa's Snack

Since Santa is such a busy man on Christmas eve, a snack left "just for him" is sure to please — not a very big one for he hasn't long to tarry — cookies and milk would be just right to eat while he goes busily about his work. Chocolate Drops are a perfect choice — they contain flakes of rolled oats that give a crunchy nut-like flavor, so tasty when combined with melted chocolate and sour cream. Decorate each cookie drop with frosting and festive trimmings and arrange on a plate to await Santa's arrival.

Chocolate Drops

Makes 1 dozen cookies
 1 cup butter or margarine, soft
 1 cup sifted confectioners' sugar
 1 teaspoon vanilla
 2 eggs
 2 cups sifted enriched flour
 1/4 teaspoon salt
 1 teaspoon baking powder
 1/2 cup cultured sour cream

Heat oven to moderate (350° F.). Beat together butter and sugar until creamy. Add vanilla and eggs; beat well. Sift together flour, salt and baking powder. Add to creamed mixture with sour cream and chocolate. Beat well. Stir in oats. Drop from a teaspoon onto lightly greased cookie sheets. Bake in preheated oven (350° F.) about 12 minutes. Cool. Frost with chocolate or seven minute frosting; sprinkle with chocolate shot or silver dragees.

Variety In Jewelry Good Taste

"The little touches" of good taste, reflected in the jewelry a man wears or in the accessories he carries, can be the Christmas gift inspirations of those closest to him.

Personal accessories are pure flattery for any man, the Jewelry Industry Council points out, and this year's fashion changes point the way to some new gift ideas for pampering the male.

The Continental trend in men's fashions has sparked larger and more elegant cuff links. Textured gold effects and links set with real or simulated stones give a new touch to his appearance.

The new, elegant ties call for something special in the way of a tie clasp. The bars, often discreetly decorated with smart masculine stones, are perfect accents.

The new tiny tie tacks in a wide variety of designs have won the favor of men of all ages.

These little decorative accessories have a practical value too for they hold the tie neatly in place. Because of their small size they tend to add to, rather than detract from, the pattern of the tie. They range from a single classic cultured pearl to beautiful gold tacks set with a gleaming diamond.

THE QUIET ONE

MARINETTE, Wis. (UPI)— Sheriff's deputies Tuesday called off a 15-hour, 25-man search after learning that Joe Martin, 32, reported missing by hunting companions, simply "got tired of hunting" and went home without telling anyone.

SANTA HAILS Christmas mail and collects it. It's easy to make this bright bag with clever applied and embroidered Santa front.

Consider Closet Accessory Gifts

Gay-colored, quilted boxes for handkerchiefs, hosiery, gloves and scarves encourage "ship-shapeliness" of bureau drawers. Plastic or fabric envelopes for sweaters, men's shorts and lingerie do their part toward neatness, too.

Smart chrome multi-hanger units for blouses, skirts, handbags, belts or ties; shoe racks, too—are practical presents with a handy future.

A convenient, multi-drawer small chest can be used by either man or woman.

Notion departments feature

HOT MONEY

MONTREAL (UPI)— Maxim Langis, 30, drew a three-year prison term Tuesday after police testified they found "hot" money in the form of 10 bogus \$10 bills, appropriately stored in the electric hotplate in Langis' kitchen.

these practical, "gifted" items as well as dozens of others!

Garment and blanket bags in all sizes and colors; wardrobe closets that may be easily dismantled for storage all have their own appeal to the good housekeeper.

Some 'How To's' For Holiday Fun

For an old-fashioned Christmas—traditional in the many niceties that make for a very happy holiday—bring fresh greenery into the home and plan to use it for effective about the house decor.

The ingredients for decorating the interior are boughs of evergreen, red and white candles, ornaments, holly, and a good portion of imagination.

If your home boasts a mantel,

you can make that your focal point of interest with bright ornaments, sprigs of holly, Christmas berries and sparkly tinsel tucked among the greens.

The top of book shelves, a long table or a chest can be used for a dramatic greenery arrangement with tall, slim tapers... a Christmas tree.

SMART SLEUTH

STOCKHOLM (UPI)— A 29-year-old amateur detective credited with locating 60 stolen cars confessed Tuesday to stealing them before locating them.

mas figurine; a wide spread point belt and other trims used effectively.

Make Bright Stained-Glass Windows

You can quickly make your own Cathedral "stained glass" window in your home!

Just take jewel-colored cellophane and cut into many shapes. Apply to a clear glass door or window with rubber cement or scotch tape.

Let your imagination wander with the subject and shapes that please you. The materials are very inexpensive and if you make a mistake, just start over again!

By crinkling the cellophane you get a textured look of pebbled glass!

The lights in your home at night will shine through the colors and design and you'll be amazed at the striking effect!

Small metal trumpets that of ten trim Christmas trees began with a Danish custom. They used to play four lyrics on them at Yule—symbolizing the four corners of the world.

Thanksgiving Day To Be 'Thankful'

ELY, Nev. (UPI)— Seven-year-old Larry Barney, his parents and his three sisters had a Thanksgiving feast with all the trimmings today — but he wasn't so fortunate last week.

The first-grader fasted in the schoolyard last Thursday. When asked what was wrong, he replied: "It wasn't my day to eat."

School officials found that members of the Barney family had been eating in shifts every other day since the father was idled by the 100-day-old Kennecott copper strike here.

The incident was made public, and scores of friends and neighbors pitched in to help. The whole Barney family sat down at the table together today—with enough food for "two Thanksgivings."
