Legion Auxiliary Installs Officers

Mrs. Nellie Stewart was installed as president of the La Grande American Legion Auxiliary, at the Legion hall, recently. Mrs. Lucy Mosher, district president from Baker, acted as installing officer. Officers serving with Mrs. Stewart are: Mrs. Betty Lou Johnson, second vice president; Mrs. Lois Rogers, secretary; Mrs. Lucille Burke, treasurer; Mrs. Ella Zumwalt, chaplain; Mrs. Jennie Howell, historian; and Mrs. Irene Hamilton, sergeant at arms.

Mrs. Magdelene Buckley, past unit president, opened the meeting in regular form. Applications were voted upon five candidates, followed by initiation of four members who were ready for initiation. They were Ella Zumwalt, Gertrude Lovely, Lois Rogers, and Mamie Severns. The Past Presidents Parley, under the direction of Bea Burrows, initiated the new members.

One of the highlights of the evening, was the surprise visit of the Department president, Mrs. Delphine George, Eugene. She expressed the appreciation of the Department of Oregon, that the La Grande unit was not going to give up their charter. She also stressed the work that is being carried on right now in the hospitals, especially at Portland and Roseburg.

The gift shop at the Veterans Hospital at Portland will be opened Dec. 9. All hospitalized veterans are privileged to select gifts for all members of his family. These Christmas gifts are labeled, wrapped and mailed to all parts of the nation, free of charge. Donations to the gift shops last year amounted to almost \$8,000.

Following the adjournment of the meeting by the new president, a joint meeting with the Legion was held. Fred Bennett, department commander, Nyssa, briefed the work that is being done by the American Legion in Oregon. Bud Johnson, Bellevue, Wash., national field representative of the American Legion in charge of Alaska, Washington and Oregon, gave an informative account on Legion affairs.

Myrtle Hansen and Marie Wilkins had charge of the refreshments for the evening.

Advice Given To Tell Mother Of Good Grooming Essentials

Dear Ann: If you say so I'll keep out of it. My neighbors moved here recently from a foreign country. They have two attractive daughters 16 and 18. The girls have become friendly with our daughter.

Both neighbor girls have exceedingly hairy legs. Apparently in their country it is ignored. They have noticed it is different in the U.S. They have asked permission to shave their legs. Their mother said no. Now I've been asked by the girls to speak to their mother. Would you?—No Butter-In.

Dear No Butter: Certainly. Explain to the mother that in this country it is one of the essentials of good grooming. You would be doing the young girls a big favor.
