A prominent Eastern Oregon in advance so that they may educator today criticized an areducation today criticized an ar-ticle on American education by as Russia now do-f more nearly falls into the category of rote Admiral Rickover which appear "training" than "education" ed vecently in the Saturday Eveto their attitude on the social

Dr. Frank Bennett, president of Eastern, Oregon College, charged determined the content and contant Receiver "Assumes mean-clusion to be reached and indiviing for 'traditionalists' and 'prop-duals are therefore not educated gressives' and fer 'education' and in social science but are trained training which are not accurate, in the doctrine of the state. certainty cannot be identified as -if this is the pittern to which

Webster's definition of the words.

To understand what Mr. Rickover is attempting to say, one
needs to know the meaning he
attributes to these words. This
one must guess from the context
of his article and from previous.

"If this is the pittern to wmen
Mr. Rickover wishes America to
alter her schools, then it seems
we would be endangering the rich
partiage of education provided
to our youth and the concept of
democracy itsel.

"If Mr. Rickover could content
through the pittern to wmen
Mr. Rickover wishes America to
alter her schools, then it seems
we would be endangering the rich
partiage of education provided
to our youth and the concept of
democracy itsel.

"If this is the pittern to wmen
Mr. Rickover wishes America to
alter her schools, then it seems
we would be endangering the rich
partiage of cluenton provided
to our youth and the concept of
democracy itsel. reading of others of his attacks," hims if to see the whole spectrum of the educational responsibility Bennett declared.

Dr. Bennett praised an editorial in the Dec. 3 Observer commenting on the Rickover article.

Bennett praised an editorial for all youth at their many levels of capabilities and ion with Dr. Consul in his advecacy of improvement of the menting on the Rickover article. Recaid "it is heartening to those high school, I believe he would Heraid "It is heartening to those engaged in education to find citi-gens sufficiently informed to id-entify careless generalizations that are made the basis of speci-fic criticisms.

"At the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, he would not be a sufficient to the same time, and not be a sufficient to the same time, he would not be a sufficient to the same time, and not be a sufficient to the same time.

fire criticisms.

"It seems to me as I have road Mr., Rickover that what he is choosing to define as 'education' is excitisively the instruction in basic and academic subjects as a distribline of the mind. He seems to ignore the fact in the education of a child much more is involved than is included in such a definition. I am using for my meaning of 'education' here see Webster's New International Unabridged Dictionary, a quotation of Herbest Spencer. To prepare us for complete living is the function which education has to discharge.

"In this it would seem that

"In this it would seem that there is recognition of the fact that to be an educated person, there must also be, in addition to all that Mr. Rickover asks for to all that Mr. Rickover asks for to all that Mr. Rickover asks for the major factors and the major factors are commissional affiliance. and which many of us desire as much as he), discipline of the physical body, discipline of the emotions, and discipline of understandings and concerns for the rest of the social order and the social world in which we live. Discipline of Mind cord that has been set by Ameri

Discipline of Mind
"It seems to me from his article and his praiseful reference to Rushan education, that Mr. Rick over is using traditional education to represent an emphasis safely on the discipline of the mand and thereby excludes as an desirable any effort to go beyond this and brands doing so as "Bro-convolute". Dr. Beanet: this and brands doing so as "pro- concluded gressive education'

"If 'traditional education' Established 1896 mind and denies the public school the right or relieves it of the responsibility for that fuller responsibility inherently decorated.

La Grande Observer

Established 1896

Rutored as Second Class Matter as the right or relieves it of the responsibility inherently decorated.

Second Class Matter as the property of the control of the responsibility inherently decorated. sponsibility inherently demanded by Mr. Spencer's definition, then I would find it difficult to accent 'traditional education.'

When Mr. Rickover points up. as his exemple of desirable 'edu-cation,' the rote 'earning system the Russian public school, he becomes an advocate of instructional methods that are geared to training and are not geared to ADVERTISING INFORMATION

training and are not genred to decaden.

"This is especially true if one copted subject to the ratios coming of understandings and the right to make choices and to test validity of previously accepted dens, doctrines, or facts.
