NEW YORK STOCKS
 NEW YORK (UPI)—Stocks held firm today with electronic and motor issues setting the pace. Less than 2 points separate the industrial stock average from the all-time closing high reached Aug. 3.
 Motorola ran up nearly 4 points in the electronics where International Business Machines jumped more than 2. Texas Instruments nearly 3 and General Time more than a point.
 American Motors picked up nearly 2 in the autos. Ford, General Motors and Studebaker-Packard added fractions. Chrysler was firm at the opening but eased somewhat in subsequent trades.
 Steels were listless. U. S. Steel and Youngstown, off fractionally in the early minutes, evened up on mild support. Bethlehem dropped a small fraction. Republic firmed.
 Oils were mixed; tires, rails and chemicals firm.

"Lots talk dry cleaning"
 By Leonard Craig
 They say ours is the fastest moving civilization that ever was. We're always on the go, always hurrying. We make the next night, the next day, the next hour or even the next minute to beat the clock. Consider this, it seems, all the time. The more remarkable we are, the more remarkable we are. In these remarkable days, each Christmas season, our world stops to turn back the clock to remember the birth of a child in Bethlehem, and, remembering, to feel a new spirit of faith, a fresh new spirit of giving, a warmth of good will toward man.
 Some people say that Christmas is just a commercial. But it seems to us, seeing the faces of Christmas shoppers and thinking of the worried faces of children on Christmas morning, that the spirit of Christmas is genuine. The tinsel and the glitter, the gay ribbons and colored lights and ornaments, are an outward expression of an inner glow we all feel. And perhaps, being human, we need these things to brighten the light that shines in us each Christmas.
 We hope that yours will be a joyous Christmas, and that the spirit of "Peace on Earth" will come into your home and your heart. To all our friends we wish A MERRY CHRISTMAS AND A HAPPY NEW YEAR!
