**NOTICE: OREGON Landscape Contractors Law (ORS 671)** requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

**OREGON STATE law** requires anyone who contracts for construction work to be licensed with the Construction Contractors Board. An active license means the contractor is bonded & insured. Verify the contractor's CCB license through the CCB Consumer Website [www.hirelicensed-contractor.com](http://www.hirelicensed-contractor.com).
