**NOTICE: OREGON** Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

**OREGON STATE** law requires anyone who contracts for construction work to be licensed with the Construction Contractors Board. An active license means the contractor is bonded & insured. ## HOROSCOPES by Stella Wilder

FRIDAY, JULY 20, 2018  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you know better than to rely on only one kind of endeavor to sustain you through life. You understand that success varies sometimes from day to day, and that you cannot count on maintaining the same high level of performance at all times. You also recognize that your interests are likely to change and evolve, requiring you to forge a new path for yourself, perhaps many times. The answer for you, then, is flexibility, and the willingness to pursue options as they arise. You often find that surprises can yield the greatest enjoyment -- and practical reward.  
**SATURDAY, JULY 21**  
**CANCER (June 21-July 22)** -- You're going to have to do more than advertise if you want others to believe that you're the right one for a certain job. Talk is cheap!  
**LEO (July 23-Aug. 22)** -- You may not be in the mood for a certain social outing today, but if you go you'll likely learn a thing or two about what is rapidly approaching.  
**VIRGO (Aug. 23-Sept. 22)** -- News from afar has you picking up the pace at home. You're eager to move into a new phase -- especially where a loved one is concerned.  
**LIBRA (Sept. 23-Oct. 22)** -- Though you cannot be in two places at once, you can surely remain in touch with those you have to leave behind at this time.  
**SCORPIO (Oct. 23-Nov. 21)** -- Focusing on what is right in front of you keeps you moving in that direction -- and forward motion is always best for someone like you!  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- The person who contacts you first with a certain piece of news is the one you must focus on as you extricate yourself from a tricky situation.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You know what is helpful and what is not -- but that doesn't mean that you can surround yourself with one and not the other!  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may have broken a few bad habits recently, but you must still take care that a sudden shock doesn't have you lapsing into old patterns.  
**PISCES (Feb. 19-March 20)** -- You are likely to realize that not everything is panning out the way you had hoped -- but there's time for you to rectify that situation.  
**ARIES (March 21-April 19)** -- Giving yourself and others what is most needed right now must be a priority. You realize, perhaps for the first time, where you are headed.  
**TAURUS (April 20-May 20)** -- A collaboration yields surprising results. You may not want to do the same thing a second time, but there's no denying its effectiveness.  
**GEMINI (May 21-June 20)** -- You are likely to spot the weakness in someone else's plan just in time to do something about it. Remember whose side you are on.
