## HOROSCOPES by Stella Wilder

FRIDAY, AUGUST 10, 2018

**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are creative, capable and always on the lookout for a new opportunity. Though you succeed more often than not, the fact is that you harbor certain doubts about your abilities, and you do not always embark on a new endeavor with the confidence that you should, given your overall capacity for accomplishment. What is it that keeps you from recognizing your talents and skills? When young, you may have grown up in the shadow of someone whom you very much admired and looked up to, and that may have instilled in you the belief that he or she was the one to soar to great heights. Still, there is no excuse for maintaining such a belief once you begin to enjoy success.

**SATURDAY, AUGUST 11**  
**LEO (July 23-Aug. 22)** -- You may wish things were different, but you recognize that that is actually just a waste of time. You must work with things as they are.  
**VIRGO (Aug. 23-Sept. 22)** -- You may have to navigate a tricky path today in order to get to your destination. You'll want to get information ahead of time.  
**LIBRA (Sept. 23-Oct. 22)** -- You're likely to receive a tip-off of some kind, which puts you in the know and positions you to have your way before the day is out.  
**SCORPIO (Oct. 23-Nov. 21)** -- Negotiations with a Leo native aren't likely to go as planned, but you can keep up with anyone who is trying to outmaneuver you at this time.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You're likely to uncover an old friend's sneaky behavior today -- and as a result you're going to have to make a difficult decision.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You can see through manners and protocol and understand exactly what's going on between two familiar parties. You can solve this problem!  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may not yet have everything you are entitled to right now, and you're going to have to play hardball in order to get it soon.  
**PISCES (Feb. 19-March 20)** -- Repeated demands on your part have gone unheeded, so you may have to take action today that you had hoped wouldn't be necessary.  
**ARIES (March 21-April 19)** -- A difference of opinion may be unavoidable today, but a lasting conflict can and must be avoided at all costs. You can strike a compromise.  
**TAURUS (April 20-May 20)** -- You must be available for good things to come to you today, but that may require a subtle, significant adjustment on your part -- right now.  
**GEMINI (May 21-June 20)** -- That which comes as a surprise to you today can be used to your advantage when you finally settle down and realize what's really going on.  
**CANCER (June 21-July 22)** -- You may be able to solve a mystery today, and in the process you can make a friend and influence someone whose potential is very clear to you.
