HOROSCOPES by Stella Wilder

YOUR BIRTHDAY

Born today, you are dignified and well-mannered, and you are likely to cultivate a soft-spoken and unassuming approach to life. Beneath the surface, however, lie many surprises -- most significant of these are your roiling passions that drive you to overachieve. When you are around the right kind of people, you can be easygoing and quite fun; around others, however, you can be rather stiff -- which is often interpreted as aloof. The truth is that you can be quite shy, and it takes you a while to warm up to people. You are much more comfortable in groups of people, whereas a single individual can knock you off balance. You are not vain, but you are quite proud.

TUESDAY, AUGUST 14

LEO (July 23-Aug. 22) -- You may find that working with a certain partner is far more enjoyable and profitable than you had expected. Is this something you want to continue?

VIRGO (Aug. 23-Sept. 22) -- You must give someone in charge precisely what he or she asks for today -- but you can do it, perhaps, according to your timetable.

LIBRA (Sept. 23-Oct. 22) -- You may be limited by circumstances today, but your imagination will remain unencumbered. You can come up with many good ideas!

SCORPIO (Oct. 23-Nov. 21) -- You may have to deal with an "intrusion" of sorts when a third party arrives on the scene. Be flexible, and by all means don't be defensive.

SAGITTARIUS (Nov. 22-Dec. 21) -- Jealousy cannot be avoided today, but you can certainly avoid acting on it and giving it any real control over you or your affairs.

CAPRICORN (Dec. 22-Jan. 19) -- You may find yourself in a situation that requires more from you than you are willing to give. The choice is yours: stay or walk away.

AQUARIUS (Jan. 20-Feb. 18) -- The rules you are being asked to follow limit your creativity and restrict your maneuverability -- both of which you depend upon highly.

PISCES (Feb. 19-March 20) -- It's time to pick up the pieces and put them back together again -- or stop mourning the loss of something that you decide is gone for good.

ARIES (March 21-April 19) -- You are eager to get in touch with that one person who can give you the information you need right now. Why are you in such a hurry?

TAURUS (April 20-May 20) -- You have no good choices to make today, but you can certainly choose to move in a direction that will allow you more personal freedom soon.

GEMINI (May 21-June 20) -- You may have to report on something that you are of two minds about; for now, stick to the facts, and don't include any personal feelings.

CANCER (June 21-July 22) -- You may have to go above and beyond today in order to get something done in a manner that satisfies you. Others are not as demanding.
