## HOROSCOPES

by Stella Wilder

MONDAY, AUGUST 20, 2018

**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are an upstanding, thoughtful individual for whom doing the right thing is more than just good manners; it's a way of life. This attitude is not something you were born with, however; it is likely the result of years of growing and evolving. Ultimately, however, you have come to the conclusion that harmony is worth living for. You have deep and lasting friendships; those closest to you are more like family than friends -- and you will risk any hardship to support them.

**TUESDAY, AUGUST 21**  
**LEO (July 23-Aug. 22)** -- How you see something is going to affect how others see it today -- perhaps not right away, but eventually, and in time to have an impact.

**VIRGO (Aug. 23-Sept. 22)** -- Something big is coming, but you may have to wait until you've dealt with a routine issue before moving on to something new and important.

**LIBRA (Sept. 23-Oct. 22)** -- You may be struggling with the reason to do something, when in fact the mere desire to do it is reason enough. Your motives are not in question now!

**SCORPIO (Oct. 23-Nov. 21)** -- You know where the last piece of the puzzle is supposed to go, but you may not be able to find it right away among all that you are facing.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Your stubbornness serves you well today as it keeps you from accepting a situation that is not good for you -- now or ever.

**CAPRICORN (Dec. 22-Jan. 19)** -- There's no reason for the day to end with you empty-handed; you can have what you want if you will only ask for it by name -- and loudly, too!

**AQUARIUS (Jan. 20-Feb. 18)** -- You may be distracted by what someone else is up to today, but you must not let that keep you from doing what you know must not go undone.

**PISCES (Feb. 19-March 20)** -- How you present yourself makes all the difference today, but you cannot control how others see you, no matter what your efforts may be.

**ARIES (March 21-April 19)** -- Someone is likely to turn your head today simply because he or she is so good at his or her job. You can demonstrate your expertise, too.

**TAURUS (April 20-May 20)** -- You must be sure to align yourself with the right people today. You'll know you've made an error in this regard when progress ceases.

**GEMINI (May 21-June 20)** -- You can't fix everything, but you can surely position most things in such a way that they can be fixed -- by someone. Don't try to do it all.

**CANCER (June 21-July 22)** -- You're eager to get closer to someone who makes you feel as though anything is possible. It may be time to share more of yourself.
