Just starting up in a business of your own? A good way to tell people about it is with a low-cost classified ad.

## HOROSCOPES by Stella Wilder

**SATURDAY, SEPTEMBER 1, 2018**  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you may be certain about a great many things, but that doesn't mean you cannot change your mind -- or have it changed. Should you think one thing and be presented with clear, persuasive evidence that contradicts your stance, you will surely have a measured, intentional change of heart. You are never one to go too far in any one direction; you strive to maintain balance in all things -- even when you are in the midst of an emotionally charged situation. Where your emotions are involved, in fact, you try to remain all the more calm and rational; you never want your feelings to overtake your thinking.  
**SUNDAY, SEPTEMBER 2**  
**VIRGO (Aug. 23-Sept. 22)** -- You must guard against any kind of emotional upset today, as even a modest one is likely to drive you away from where you really belong.  
**LIBRA (Sept. 23-Oct. 22)** -- Changes can be avoided today, but only if you are willing

to keep the bad things as well as the good. You can't pick and choose!  
**SCORPIO (Oct. 23-Nov. 21)** -- You can certainly have stability in your life right now, but a sacrifice will have to be made. Family members know you'll do what's right.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You aren't inspired by everything that you must do today, but at least it is all familiar. New challenges would be the most stressful.  
**CAPRICORN (Dec. 22-Jan. 19)** -- A change of scenery works wonders today as you are looking for a new source of inspiration and ideas. It doesn't matter where you go!  
**AQUARIUS (Jan. 20-Feb. 18)** -- Key issues demand attention today, but you can't fix things all by yourself. You must get one or two friends to lend a hand.  
**PISCES (Feb. 19-March 20)** -- You can demonstrate considerable know-how today, especially when doing that which many people think can't -- or shouldn't -- be done.  
**ARIES (March 21-April 19)** -- You mustn't

worry about what lies ahead, for today it's what you've already passed that can sneak up behind you and throw you for a loop.  
**TAURUS (April 20-May 20)** -- You may be off-balance through much of the day, but you can minimize the effects of this by staying in close proximity to a good friend.  
**GEMINI (May 21-June 20)** -- You may find yourself in charge, but you're not comfortable with all the responsibilities that come with the sudden promotion.  
**CANCER (June 21-July 22)** -- You're trying too hard to control the things that simply cannot be controlled. Instead, try to navigate the day more freely and nimbly.  
**LEO (July 23-Aug. 22)** -- Your senses may be steering you in the right direction while your mind is pushing you toward certain dangers. Trust that which cannot be said!

**SUNDAY, SEPTEMBER 2, 2018**  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are always one to follow the rules -- or so it seems. The truth, however, is that you are perfectly willing to bend or even break the rules if doing so is more in line with how you think or feel about a given situation. You are always keenly aware of what is going on around you, so that you can assess the matter and decide if the time is right to make alterations to the status quo. You don't just go about things in a random, willy-nilly sort of fashion. You watch and listen for all the signs that could possibly tell you what to do -- and when.  
**MONDAY, SEPTEMBER 3**  
**VIRGO (Aug. 23-Sept. 22)** -- Your plans, organized though they may be, are not likely to yield the fruit that you had anticipated. Get to the heart of the matter.  
**LIBRA (Sept. 23-Oct. 22)** -- Follow your instincts, and don't let anyone tell you that your assessment of a certain situation is in

error. You know what's what!  
**SCORPIO (Oct. 23-Nov. 21)** -- You may not be the best judge of your performance today, so why not get the opinion of a good friend who would never lead you astray?  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You'll receive good news that seems to offset the bad news received yesterday or the day before. Your state of mind is on an upswing.  
**CAPRICORN (Dec. 22-Jan. 19)** -- Circumstances vary, but you can approach everything with the same overall sense of self-awareness and confidence and very likely win the day.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You are waiting for your luck to change, when in fact luck has very little to do with what is going on right now. Get more up-to-date info.  
**PISCES (Feb. 19-March 20)** -- Are you really ready to do the thing you've pledged to do? If not, there's a way out -- but it may take a little time to identify it.  
**ARIES (March 21-April 19)** -- You have a

great deal going for you right now, and yet all you can do is moan about the few things that aren't right. Change your focus!  
**TAURUS (April 20-May 20)** -- You've got to be in the right place at just the right time today, or you're not likely to get what you feel you very much deserve.  
**GEMINI (May 21-June 20)** -- You have an important choice to make today, and not everyone is going to be supportive no matter which way you go. It's a crap shoot.  
**CANCER (June 21-July 22)** -- You can explain things in the simplest possible way and there will always be those who do not understand. Focus on those who seem receptive.  
**LEO (July 23-Aug. 22)** -- Uncertainty can't be allowed to prevail today. Even if you're just pretending, you must take a stand. It will lead to something!
