"Civilizations die from philosophical calm, irony, and the sense of fair play quite as surely as they die of debauchery."

Two Pendleton teens injured in assault; investigation continues

One of the teenagers taken to Portland hospital as a result of his injuries

East Oregonian staff

PENDLETON — Pendleton police reported two teens suffered stab wounds early Thursday while joining in an assault.

Pendleton Police Chief Stuart Roberts in a written statement reported staff at St. Anthony Hospital, Pendleton, called dispatch at 3:12 a.m. after a vehicle dropped off two boys, ages 14 and 15, with stab wounds at the emergency department. Officers

were en route when they received a description of the vehicle that brought the juveniles to the hospital.

The first officer arrived at 3:15 a.m. as the vehicle was leaving the parking lot. The officer attempted to stop the vehicle, Roberts reported, but "a low speed pursuit ensued."

The pursuit continued north to the 2300 block of Southwest Nye Avenue, where the occupants of the SUV jumped out. The

vehicle crashed into a retaining wall and came to a stop moments later.

Police immediately detained two of the four occupants, but Roberts stated the driver remains at large.

The hospital treated and released the 15-year-old stab victim, but a ground ambulance took the 14-year-old to Oregon Health Sciences University in Portland, because his injuries prohibited air transport.

Detectives identified and interviewed one adult and five juveniles who were

reportedly present when the "stabbing" occurred on the 2800 block of Southwest 28th Drive, Pendleton, according to Roberts.

Officers and detectives found evidence in the area that corroborates statements that Roberts reported describe the following:

The 14-year-old stab victim instigated a fight with a 20-something male who was hanging out in the area. Other juveniles joined in the "beat down." Sometime during the fight, someone stabbed two of the juveniles, although no one saw "a stab-

bing instrument."

The majority of people present or involved in the fight got into a vehicle one of the witnesses owned and drove the victims to the hospital.

Roberts also stated the investigation is ongoing and police will not release more information at this time. He asked anyone with information concerning the identities of involved person(s), or details of the assault to contact the Pendleton Police Department at 541-276-4411 or dispatch center at 541-966-3650.

Umatilla County Sheriff's team rescues injured woman

Woman was hiking at a resort ranch when she fell down steep trail

East Oregonian staff

WESTON — The Umatilla County Sheriff's Office Search and Rescue team saved an injured woman Saturday near the Bar M Ranch.

The sheriff's office reported the 36-year-old woman was attending a retreat at the resort ranch in the Blue Mountains when she fell and injured her ankle while hiking down a steep trail on the mountainside.

Staff from the ranch tried to use crutches to get her out but were unsuccessful due to

the narrowness of the trail and severity of the injury, according to the sheriff's office. The Umatilla Tribal Ambulance responded and treated her injuries, but the ambulance crew had no means of bringing her off the mountain.

The sheriff's search and rescue team responded to the call for help and arrived at the ranch at 6:25 p.m. Team members carried a portable stretcher and wheeled rescue device about 3/4 of a mile to the woman's location. The hike took about

half an hour, and she was about 400 feet above the Umatilla River.

"The trail was narrow and steep and contained several areas with steep drop offs at the trail's edge," the sheriff's office reported.

Team members strapped her into the stretcher and used a series of safety lines to ensure a controlled descent and prevent her from going over the side.

Rescuers and the ambulance crew proceeded down the trail with the victim in what became a strenuous walk lasting more than two hours. Once down, they transferred her to

an all-terrain vehicle and eventually drove her to the

emergency department of a local hospital.

Last of four pleads guilty in Baker mule deer poaching

WesCom News Service

BAKER CITY — The last of four defendants in a Baker County mule deer poaching case pleaded guilty Monday in Circuit Court and was sentenced to 10 days in jail and two years of bench probation, and his hunting privileges were suspended for three years.

Max Andersen, 22, of Astoria, pleaded guilty to two counts of unlawful taking of wildlife during a closed season, and one count of unlawful waste of wildlife, according to a press release from District Attorney Matt Shirlcliff.

In addition to the jail and probation terms, Andersen was ordered to pay \$7,500 in restitution to the Oregon Department of Fish and Wildlife.

Three other men, all from Astoria, pleaded guilty this spring in connection with poaching of trophy mule deer (defined in Oregon law as bucks with four or more antler points) in November 2015 and November 2016 in the Lookout Mountain unit of eastern Baker County.

The other defendants:

- Austin Barter, 21, plead-

ed guilty on April 9, 2018, to one count of unlawful taking of wildlife, one count of unlawful waste of wildlife and one count of aiding in a wildlife violation.

Barter was sentenced to eight days in jail and two years of bench probation. His hunting privileges were suspended for three years and he was ordered to pay \$7,500 in restitution to ODFW.

- Chase Rusinovich, 21, pleaded guilty on May 14, 2018, of two counts of unlawful taking of wildlife.

Rusinovich was sentenced to 15 days in jail and two years of bench probation. His hunting privileges were suspended for three years and he was ordered to pay \$7,500 in restitution to ODFW.

- Jake Marincovich, 22, pleaded guilty on April 5, 2018, to one count of harassing wildlife. He was sentenced to two years of bench probation and his hunting privileges were suspended for two years.

Marincovich, who did not kill any deer, would have

been required to testify against the three other defendants had their cases gone to trial.
