## HOROSCOPES by Stella Wilder

FRIDAY, SEPTEMBER 21, 2018

**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are not always what you seem to be and can be very hard to pin down, but people everywhere are eager to claim that they know you well. The truth is that you exude a kind of energy that is quite magnetic, and others are eager to spend time in your presence. You have grand ambitions, yet you are content to start small and work your way to the top. What you ultimately do may not much resemble the kinds of things you started out doing. You have a quirky sense of humor that reflects a way of looking at the world that is unorthodox and even controversial. You are able to laugh at much, no matter how serious it may be -- including yourself, of course.

**SATURDAY, SEPTEMBER 22**  
**VIRGO** (Aug. 23-Sept. 22) -- Avoid expressing yourself in a way that could possibly offend someone else. You can protect the integrity of another today.  
**LIBRA** (Sept. 23-Oct. 22) -- Make no

promises today unless you know you can keep them. Others are waiting for you to slip up, and you must offer no satisfaction.  
**SCORPIO** (Oct. 23-Nov. 21) -- A moral issue comes to the fore today, and you'll be the one to steer others toward a satisfactory resolution of an unavoidable dilemma.  
**SAGITTARIUS** (Nov. 22-Dec. 21) -- You may become involved in someone else's work today -- and what you bring to the table is likely to become essential very soon.  
**CAPRICORN** (Dec. 22-Jan. 19) -- Play the waiting game today and don't be tempted to rush things -- for that way lies disappointment. A friend raises a key issue.  
**AQUARIUS** (Jan. 20-Feb. 18) -- The task before you is likely to require more than you had expected to give when you first accepted the assignment. Do your homework!  
**PISCES** (Feb. 19-March 20) -- You may be so eager to sign on to a project led by a friend that you are unaware of the risks involved. Certain dangers are unavoidable.  
**ARIES** (March 21-April 19) -- Money

matters remain at the fore today, as you attempt to balance comfort and need. Stick to the basics for now and conserve resources.  
**TAURUS** (April 20-May 20) -- Your desires are likely to clash with those of a loved one today. You'll have to acknowledge that his or her request came first.  
**GEMINI** (May 21-June 20) -- Seniority becomes a central issue today. You can prove that you have the experience you need to complete a job, but you've not been at it long.  
**CANCER** (June 21-July 22) -- You'll want to avoid anything that requires you to step out of your comfort zone -- and this may mean staying home all day.  
**LEO** (July 23-Aug. 22) -- Avoid harm today by steering clear of situations that you cannot assess thoroughly ahead of time. You can use all knowledge to your advantage.
