HOROSCOPES by Stella Wilder

FRIDAY, OCTOBER 12, 2018
 YOUR BIRTHDAY by Stella Wilder

Born today, you combine talent, deep sensitivity and the ability to endure great hardship -- and this will almost certainly enable you to rise to the pinnacle of success in whatever field you choose. You must always treat others fairly if you are to be treated fairly in return, and fortunately this comes quite naturally to you. Like so many Libra natives, you thrive on egalitarian thought and action; you never consider yourself "better" than another simply because you have been lucky in love or your career. You truly believe that anyone, given the chance, can fulfill his or her dreams.

SATURDAY, OCTOBER 13
LIBRA (Sept. 23-Oct. 22) -- You may have uncovered an important piece of information that allows you to pick up the pace -- if and only if you use it correctly, however!

SCORPIO (Oct. 23-Nov. 21) -- You may have to work harder than usual today to get routine affairs in order -- mostly because

surprise circumstances are slowing you down.

SAGITTARIUS (Nov. 22-Dec. 21) -- You will want to be sure that you have anticipated all possible eventualities -- and imagined a few that you wouldn't think could happen.

CAPRICORN (Dec. 22-Jan. 19) -- You're not going to get started today before a possible teammate pledges his or her support. You must be patient; don't force the issue.

AQUARIUS (Jan. 20-Feb. 18) -- A friend or family member may not be aware of how you are being affected by his or her actions today. You're going to have to say something!

PISCES (Feb. 19-March 20) -- You've got a plan that you won't be able to implement for quite some time -- but that's no reason why you shouldn't continue to hone it.

ARIES (March 21-April 19) -- Someone has been ignoring you in a way that is beginning to drive you a little bit crazy; before you explode you'll want to say something.

TAURUS (April 20-May 20) -- You'll see something -- or someone -- that has you

thinking that things can be much better than they are. Is this true, or an illusion?

GEMINI (May 21-June 20) -- You can get a great deal done before anyone tries to pull you away from your desk today. Once you do step away, you won't be going back!

CANCER (June 21-July 22) -- You may encounter someone who sees things in much the same way as you do -- but there is a subtle difference with which you must come to terms.

LEO (July 23-Aug. 22) -- You will get to the point today at which you must acknowledge certain facts you've been ignoring for too long. It's time to face the truth!

VIRGO (Aug. 23-Sept. 22) -- Someone is trying to distract you today -- but for a very good reason. You may get to the point at which you want to be distracted!
