HOROSCOPES by Stella Wilder

THURSDAY, OCTOBER 18, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you are a born adventurer, but you are not always one to venture into the unknown alone; you often want to be accompanied by someone who shares your appreciation of the new and untried, because an experience shared is better than one enjoyed on your own. Indeed, communication and interplay between yourself and other individuals is likely to be the centerpiece of your entire life -- personally and professionally. You have a way of making things better for others even as you focus on your affairs. You will have learned at an early age that people are willing to listen to you; you will begin to use this to your full advantage as you enter adulthood -- and with maturity will come expertise!

FRIDAY, OCTOBER 19
LIBRA (Sept. 23-Oct. 22) -- You mustn't concern yourself with things you cannot prevent or correct. Instead, focus on that in which you have a deciding voice.
SCORPIO (Oct. 23-Nov. 21) -- An acci-

dent of some kind is unavoidable today. Rather than worry about it ahead of time, focus on undoing any harm it may cause.
SAGITTARIUS (Nov. 22-Dec. 21) -- A few adjustments are likely to yield tremendous rewards today, as you attempt to streamline your efforts and maximize your personal power.
CAPRICORN (Dec. 22-Jan. 19) -- That which was quickly forgotten some time ago is likely to be remembered today. You can go far toward righting this old wrong permanently.
AQUARIUS (Jan. 20-Feb. 18) -- The truth cannot be manipulated today, try as you might. You're going to have to deal with certain things in a direct and honest manner.
PISCES (Feb. 19-March 20) -- Pay attention to those who pay attention to details. You can learn much from them, before heading off on a new journey of your own design.
ARIES (March 21-April 19) -- Cleverness is not to be confused with wisdom today -- and the latter is all you need to face a problem in a productive, effective manner.
TAURUS (April 20-May 20) -- Your

expectations may be shattered today by someone who is simply not playing by the rules. Take a step back and be ready to come out swinging.
GEMINI (May 21-June 20) -- A more aggressive approach may seem tempting to you today, but after careful consideration you may realize the timing is not right.
CANCER (June 21-July 22) -- Wishing won't make it so -- but neither will brute force. You're going to have to strike a careful balance in order to be truly effective.
LEO (July 23-Aug. 22) -- You can accomplish much today simply by sticking to the game plan. You'll find that you have more time on your hands than you thought.
VIRGO (Aug. 23-Sept. 22) -- Who or what are you pursuing at this time? You will want to answer that question honestly for yourself before going any further.
