YOUR BIRTHDAY by Stella Wilder

Born today, you are one of the most independent individuals born under your sign, and yet you are never one to impinge on anyone else's autonomy. What you insist on keeping to yourself you respect in those around you as well, which keeps you from being roundly disliked! The fact that you want for others what you have for yourself will win you all manner of admiration. You are a solid and upstanding individual who can be counted on in many situations. Though you often prefer to work on your own, exploring your talents in ways that suit your fancy, you can and do work very well with others - and you don't always have to be in charge!

THURSDAY, NOVEMBER 1

SCORPIO (Oct. 23-Nov. 21) -- Readiness is measured very differently today than it is most other days. You will have to consider things from a different point of view

SAGITTARIUS (Nov. 22-Dec. 21) -- You

are very good at making things up as you go along, and such improvisation can serve you very well as this unusual day progresses.

CAPRICORN (Dec. 22-Jan. 19) -- If you continue waiting for someone else to get moving before you, you'll never get much done. You must take the initiative today.

AQUARIUS (Jan. 20-Feb. 18) -- You can approach a difficult situation in a way that surprises even you -- and the effect you have is likely to last quite some time.

PISCES (Feb. 19-March 20) -- You don't have to do something expertly today; you just have to do it. Don't back out, once you've committed. Your word is your bond!

ARIES (March 21-April 19) -- As you try to assemble the best possible team for a job that lies ahead of you, you may realize that you don't need as many as you had thought

TAURUS (April 20-May 20) -- You can support someone in a way that means more in the long run than it does right now. What happens today may be remembered for some time.

GEMINI (May 21-June 20) -- What seems like a disagreement is really nothing of the kind. You and a partner are merely coming to terms with a tricky issue.

CANCER (June 21-July 22) -- Focus on matters that are familiar today, and they'll help you deal with those that are not. Not everything will look and feel new!

LEO (July 23-Aug. 22) -- You've been laying the foundation for something very important lately. Today, you'll begin to see things pan out as you had hoped.

VIRGO (Aug. 23-Sept. 22) -- You may not approach the day with as much verve as is your habit, but you can get a lot done anyway -- especially if you stick to yourself.

LIBRA (Sept. 23-Oct. 22) -- Someone is likely to grant you a special favor today -- just in time. Before the day is out you'll have the opportunity to reciprocate.
