## HOROSCOPES

*by Stella Wilder*

TUESDAY, NOVEMBER 6, 2018  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are one of those individuals who indulges in all manner of activities that you feel promotes not only your physical well-being, but also your emotional health. You are tenacious and driven, and you will stop at nothing to reach your goals -- and you have some lofty ones, to be sure! You will know when you have reached the pinnacle of success, and it's not likely to be in accord with any definition of "success" promoted by others. You indulge in that which makes you feel good, and you eschew that which does not. Your life philosophy is really that simple!  
 WEDNESDAY, NOVEMBER 7  
**SCORPIO** (Oct. 23-Nov. 21) -- You're likely to attract attention today by doing that which others may have warned you against doing. Your daring sparks many conversations.  
**SAGITTARIUS** (Nov. 22-Dec. 21) -- You may be caught with your hand in the cookie jar today. There's no point in denying what others know full well; you must come clean.  
**CAPRICORN** (Dec. 22-Jan. 19) -- Your explanation of events and activities may not be accepted by someone in charge. Be persistent; the truth is on your side.  
**AQUARIUS** (Jan. 20-Feb. 18) -- You may be putting yourself in a vulnerable position without knowing it today. Take a look at what others are doing and follow suit.  
**PISCES** (Feb. 19-March 20) -- You may want to take a more conciliatory tone when you speak with those who have been in conflict with you recently. You can heal wounds.  
**ARIES** (March 21-April 19) -- That which is clear and concise is most easily understood today, of course -- so why are you so determined to overcomplicate things? Don't!  
**TAURUS** (April 20-May 20) -- Something big is headed your way, and you may only have a few short hours to prepare for it. Seek a friend's advice right away.  
**GEMINI** (May 21-June 20) -- You are too caught up in that which you cannot fully explain; it's time to extricate yourself from anything that doesn't promise clear progress.  
**CANCER** (June 21-July 22) -- Someone in charge is likely to hand you the baton today, and you must do what you can to acquire yourself well while all eyes are on you.  
**LEO** (July 23-Aug. 22) -- You are in a position to help those in need today, and all you have to do is what comes naturally. No significant extra effort should be required.  
**VIRGO** (Aug. 23-Sept. 22) -- You don't want to stand and let someone pelt you with rocks, so why stand still and not do what you can to steer clear of a coming threat?  
**LIBRA** (Sept. 23-Oct. 22) -- Others may be unwilling to accept what you see very clearly in front of you and everyone else. It is certainly time to act.
