HOROSCOPES by Stella Wilder

SATURDAY, NOVEMBER 10, 2018
YOUR BIRTHDAY by Stella Wilder
 Born today, you are a natural survivor, and you are quite adept at maneuvering and trimming your sails to optimize your chances when everything seems stacked against you. You are not one to ignore the rules, and you know full well when you are doing something that is wrong -- but you will do what is necessary, and that is perhaps your defining characteristic. Necessity rules you, regardless of circumstances -- and regardless of who might be watching you; you are not one to limit your chances because of some moralistic fear that what you do may be frowned upon -- or even illicit or illegal. You are determined to win, even when the odds would suggest otherwise -- and there are times when you actually perform best when your back is against the wall.

SUNDAY, NOVEMBER 11
SCORPIO (Oct. 23-Nov. 21) -- You'll have questions about all the things you encounter, and you may only be able to come up with

answers to a fraction today.
SAGITTARIUS (Nov. 22-Dec. 21) -- Hard work yields the results you are after today, especially if you put into action a plan you came up with late yesterday.
CAPRICORN (Dec. 22-Jan. 19) -- Freedom proves a major issue today. You must be willing to give yourself to a certain cause now to enjoy greater autonomy later.
AQUARIUS (Jan. 20-Feb. 18) -- What you want may not come to you right away, as you must not only earn it, but demonstrate to others that you are worthy of it as well.
PISCES (Feb. 19-March 20) -- The difference between what feels right and what actually is right may be as big as the whole world, and this realization changes much.
ARIES (March 21-April 19) -- The time has come for you to stop doing whatever it is that you are repeatedly warned against doing. Any further missteps can prove disastrous.
TAURUS (April 20-May 20) -- You may encounter some resistance today as you attempt to do something that is unorthodox.

Try to avoid serious friction.
GEMINI (May 21-June 20) -- The more you have the more you'll want -- of a certain thing, anyway. You will have to use self-discipline to avoid overdoing it in some way.
CANCER (June 21-July 22) -- Good and bad judgment calls may be up to you today far more than usual. Experience and instinct are both useful.
LEO (July 23-Aug. 22) -- Someone is trying to get you out of his or her way, but in truth this problem is only illusory. You can prove this to be true by day's end.
VIRGO (Aug. 23-Sept. 22) -- A postponement may be unavoidable today, just as you may have to move something up considerably and deal with it today -- ready or not.
LIBRA (Sept. 23-Oct. 22) -- You'll want to leave others with the right impression, surely, but you must stop short of doing or saying anything that is at all false.

YOUR BIRTHDAY by Stella Wilder
 Born today, you are perhaps one of the luckiest individuals born under your sign. You are also quick to take advantage of opportunities as they arise, which would suggest that luck is not all that you have going for you! You have also been endowed with many skills and traits that you can put to good use in a wide variety of situations. Perhaps your greatest single attribute is patience; though you don't always prefer to wait for that which you feel is coming your way by rights, you can certainly do just that if necessary -- without doing anything to put yourself at a disadvantage. You are often able to communicate the most by saying very little.

MONDAY, NOVEMBER 12
SCORPIO (Oct. 23-Nov. 21) -- You risk disappointing someone if you continue along your current course. You can make a change without feeling it yourself.
SAGITTARIUS (Nov. 22-Dec. 21) -- You

may have the rare opportunity today to reverse any negative trends. When others see what you can do, your reputation will soar.
CAPRICORN (Dec. 22-Jan. 19) -- The opportunity to speak your mind without any risk of offending is likely to pass you by today if you don't speak up as soon as possible.
AQUARIUS (Jan. 20-Feb. 18) -- You must try to be aware of everything that is going on around you today; much will affect you only indirectly, but all will do so in some way.
PISCES (Feb. 19-March 20) -- You may find yourself juggling more than your usual responsibilities today. The extra comes from someone who is soon to "bow out."
ARIES (March 21-April 19) -- You're likely to find yourself in the right place at the right time today -- but the good that happens as a result is still a mystery.
TAURUS (April 20-May 20) -- You may be more fatigued today than usual; have you been getting the rest you need? This is something you cannot afford to ignore!

GEMINI (May 21-June 20) -- You can lend an important insight to others who are dealing with a difficult and quite surprising situation. You've been there before.
CANCER (June 21-July 22) -- You'll benefit from another's mistakes today, but you must take care that you don't gloat in any way -- or expect this to happen again!
LEO (July 23-Aug. 22) -- You may have to wait for a remedy to take effect. Once it does, you can move forward quickly -- and you mustn't repeat any recent mistakes.
VIRGO (Aug. 23-Sept. 22) -- You're eager to hear from someone who is far from home; he or she has stories to tell, and you can surely benefit from what you learn today.
LIBRA (Sept. 23-Oct. 22) -- You are able to put yourself in another's shoes and experience things from his or her point of view. The value of this is crystal clear.
