HOROSCOPES by Stella Wilder

TUESDAY, NOVEMBER 27, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those rare but attractive individuals who live life on the edge at all times, risking everything for something that is important to you but that seems quite trivial to others. This is the great secret to your success: You don't really care what other people think about you or your methods. You are eager to be the best that you can be, of course, and this will require a kind of diligent, continual learning that only experience can give -- and you are drawn to all manner of experiences. You enjoy putting yourself to the test, to see whether you really do have the stuff to succeed where others cannot.
WEDNESDAY, NOVEMBER 28
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll discern some subtle variances between the way you do something and the way it is done by an "expert" who is more correct?
CAPRICORN (Dec. 22-Jan. 19) -- It's time for you to consider something that you

had been avoiding in the past. Going a different route today can serve you quite well.
AQUARIUS (Jan. 20-Feb. 18) -- Family dynamics may take on an unusual quality today -- and this likely has much to do with an announcement you have recently made.
PISCES (Feb. 19-March 20) -- It's a good day to explore all options -- even those that, in the past, you would have passed up instinctively. An unusual choice tempts you.
ARIES (March 21-April 19) -- You are fearful of what may happen today -- but your fear is what is driving you toward a point of danger. Calm yourself and look around.
TAURUS (April 20-May 20) -- You may have to get work done very quickly today in order to make time for a personal issue that simply will not wait any longer.
GEMINI (May 21-June 20) -- The time has come for you to decide which aspect of your personality to highlight -- the adult or the child. Perhaps you can combine the two!
CANCER (June 21-July 22) -- A recent

effort begins to pay off at last, but you're not likely to enjoy all that you had hoped for today. You'll have to wait for something.
LEO (July 23-Aug. 22) -- You may be unusually forgetful today, especially when it comes to another's needs and desires. You can make up for it when the time comes.
VIRGO (Aug. 23-Sept. 22) -- A bump in the road causes you to reconsider your current journey -- and whether it should be continued with your current companion or not.
LIBRA (Sept. 23-Oct. 22) -- You may feel that you are deficient for some reason today -- but that's only insecurity as you face a task that is unfamiliar.
SCORPIO (Oct. 23-Nov. 21) -- You can surround yourself with much that you enjoy today -- but take care that you don't overdo it! Moderation can ward off many ills.
