NOTICE: OREGON Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 28, 2018

YOUR BIRTHDAY by Stella Wilder
Born today, you are a real character who's "bigger than life" and never much concerned with what people think. In the larger scheme of things, however, you care very much, though it is often something that you keep carefully under wraps. The truth is that you have tremendous ambitions, and you feel that your natural "star quality" makes you, by birth, a leading candidate for celebrity status. What you don't know, however, is that reaching that goal can be quite harmful, for it will introduce you to all manner of lifestyle choices that could lead you down a very dangerous road. You do not always do well when faced with such choices; you tend to respond instinctively, without giving things much thought.

THURSDAY, NOVEMBER 29
SAGITTARIUS (Nov. 22-Dec. 21) -- You're eager to work in a collaborative fashion with those whose ideas you find exciting. Be aware that not everyone will want to join in.

CAPRICORN (Dec. 22-Jan. 19) -- You have been quite set in your ways recently, especially where work is concerned. It's a good day to consider a new way of doing things.

AQUARIUS (Jan. 20-Feb. 18) -- You are likely to have more ideas today than you know what to do with -- but in sharing them with others you can give them all life.

PISCES (Feb. 19-March 20) -- What you are hearing from others regarding your place in the scheme of things may prove surprising. Do you really want to be "in charge"?

ARIES (March 21-April 19) -- You are able to do far more today than you think you are, though you may require a good friend to push you in the right direction.

TAURUS (April 20-May 20) -- What happens today can prove inspiring, especially when it comes to a dream you have set aside for far too long. It's time to revive it!

GEMINI (May 21-June 20) -- You can surround yourself today with people who help you through difficult times. You must be ready for what you suspect is fast approach-

CANCER (June 21-July 22) -- How you behave at work must have little bearing on what you do and say at home; these aspects of your life must be kept separate right now.

LEO (July 23-Aug. 22) -- You are eager to have more of the same today, and yet to do so you may have to exceed your personal capacity. Use caution; don't overindulge!

VIRGO (Aug. 23-Sept. 22) -- You can have a greater impact on things today than expected. This suits your current mood, which makes you more forceful than usual.

LIBRA (Sept. 23-Oct. 22) -- Someone must take the high road, as others take the low one -- and you will surely want to be remembered for doing the right thing.

SCORPIO (Oct. 23-Nov. 21) -- You're not likely to make sense of everything today, and you'll want to cling to that which is familiar to you. Stay in your comfort zone.
