HOROSCOPES by Stella Wilder

SATURDAY, DECEMBER 8, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you can be rather stiff around other people, as a result of a native shyness that you are not likely to shake even as you get older. You don't like casual interaction as a rule; you prefer to talk with those whom you know well, and then only about things that really matter. You live a great deal in your head, and you have a vivid imagination with which you are able to spawn all manner of ideas and dreams. You have many talents, but you're not always motivated to explore them to the fullest; rather, you are likely to be truly interested in only one or two endeavors. You are tenacious and committed; you don't give up on things prematurely.
SUNDAY, DECEMBER 9
SAGITTARIUS (Nov. 22-Dec. 21) -- You understand what is at stake right now, but you're not willing to make a sacrifice that's being asked of you. Can you compromise?
CAPRICORN (Dec. 22-Jan. 19) -- You may be much busier today than you had

expected to be; someone's inability to "get with the program" puts much more on your plate.
AQUARIUS (Jan. 20-Feb. 18) -- You can get almost everything done ahead of schedule today, leaving you a little more time to do the thing you least want to do.
PISCES (Feb. 19-March 20) -- Success today depends upon your willingness to "talk turkey" when the time comes. You mustn't shy away from the opportunity when it arises.
ARIES (March 21-April 19) -- You are eager to please, but unaware of what is truly required of you at this time. Open a dialogue and talk about what's most important.
TAURUS (April 20-May 20) -- A chance encounter mustn't be allowed to shape your entire day. You can maintain control, even when circumstances conspire against you.
GEMINI (May 21-June 20) -- You can combine business and pleasure in a way that serves as a model to others who are eager to milk more enjoyment out of things at this time.

CANCER (June 21-July 22) -- The legitimate and the illegitimate compete for your favor today. You can attract much praise for how you handle a difficult situation.
LEO (July 23-Aug. 22) -- How you interpret certain "signs" makes all the difference today. Don't let anyone tell you that you don't have what it takes to win!
VIRGO (Aug. 23-Sept. 22) -- Others may be able to enjoy a little more downtime than you today -- but under the circumstances you wouldn't want it any other way.
LIBRA (Sept. 23-Oct. 22) -- You will fulfill certain basic needs today, even though there are those who would stand in your way. You can maneuver with ease and grace.
SCORPIO (Oct. 23-Nov. 21) -- You are spending too much energy resisting something that could be, in fact, quite good for you -- if you would only give it a chance.

SUNDAY, DECEMBER 9, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you are a self-assured individual and quite self-reliant too; you don't need the encouragement of others to help you tackle any obstacles. You can be quite sociable, but you mostly prefer your own company and the company of only one or two close friends. The idea that you may have to pass some test or other in order to progress in life is abhorrent to you; you want to be acknowledged and rewarded for who you are, not for who you might be if you were to satisfy someone else's expectations. Honesty is, as far as you are concerned, the best policy.
MONDAY, DECEMBER 10
SAGITTARIUS (Nov. 22-Dec. 21) -- What you give to others may come back around to you before the day is out. This is someone's way of making up for lost time.
CAPRICORN (Dec. 22-Jan. 19) -- You may be tired of the routine, but you are certainly not tired of the rewards it offers. Now

is no time to quit; stay the course!
AQUARIUS (Jan. 20-Feb. 18) -- You will benefit in a few surprising ways today by someone else's inability to see what is directly ahead. Others flock to you for guidance.
PISCES (Feb. 19-March 20) -- That one thing that sets you apart from others is likely to be on full display today. You can use it in a new and surprising way.
ARIES (March 21-April 19) -- You are eager to make a new friend, but what is even more important is that you are able to work together toward a common goal.
TAURUS (April 20-May 20) -- There is only so much you can get away with today before you must acknowledge those who have helped you along the way. Don't be resistant!
GEMINI (May 21-June 20) -- You must be willing to put another's needs before your own. What you have to offer wins you praise from some -- but causes concern for others.
CANCER (June 21-July 22) -- There seems to be nothing to stop you today, and

yet you may be reluctant to take that first step in a new direction. Get new information.
LEO (July 23-Aug. 22) -- You must not take any shortcuts today, no matter how attractive they may seem as you assess your options. Play according to the rules.
VIRGO (Aug. 23-Sept. 22) -- A message you receive may confuse you today, but a friend steps in just in time and interprets it more clearly. You can take it from there.
LIBRA (Sept. 23-Oct. 22) -- When you are faced with a certain obstacle today you may have no recourse but to break one of your rules. Most people will understand.
SCORPIO (Oct. 23-Nov. 21) -- Keep the lines of communication open today -- and don't make the all-too-common mistake of thinking that words are your only option!

PUBLIC NOTICE

The Baker County Association of Conservation Districts will be holding their Annual Dinner Meeting on January 18, 2018 at the Baker Elks Lodge. There will be a "no-host" social hour beginning at 5:30pm and dinner will be served at 6:30pm. We will proudly recognize local landowners and partners and showcase their outstanding contributions to the natural resource conservation effort in Baker County. The Cost for the dinner is \$15.00, payable at the SWCD office prior to the event.

The Soil and Water Conservation Districts are uniquely tasked to work with local landowners and the communities to develop opportunities that sustain and improve our communities, economy, and resources. Baker County is comprised of four Soil and Water Conservation Districts: Baker Valley, Burnt River, Eagle Valley and Keating, thus serving all areas of the county. Each district is able to provide technical, financial and educational resources that meet the needs of the local natural resource concerns. This in turn provides economic sustainability for the rural community while preserving the pristine beauty of Baker County. The SWCDs are able to help local landowners and agriculture producers implement voluntary conservation projects through grants and USDA programs.

Due to limited seating you must RSVP by January 10, 2018 to the District's office at: 3990 Midway Drive Baker City, OR 97814, or call 523-7121, ext 100 or 109.
