## HOROSCOPES by Stella Wilder

MONDAY, DECEMBER 10, 2018  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are one of the most thoughtful individuals born under your sign. You are always assessing your place in the world as you go through life's journey. Quietly confident, you believe that good work should speak for itself, and you leave any sort of "publicity" to others. This is not always a perfect system, for you may do much that goes unrecognized -- but you really don't do what you do for the potential gains anyway; you do it, rather, for the contentment it brings you.  
TUESDAY, DECEMBER 11  
SAGITTARIUS (Nov. 22-Dec. 21) -- Just because you say it doesn't make it so; you must be willing to deal with the truth and nothing but the truth today. It's a duty!  
CAPRICORN (Dec. 22-Jan. 19) -- You can turn on a dime today, but is it the best thing to do before changing course, you'll want to consider the potential cost.

AQUARIUS (Jan. 20-Feb. 18) -- You're tempted to give up on one thing and move on to the next before you have gotten the info you need to make a success of the current effort.  
PISCES (Feb. 19-March 20) -- Study the way others have done things in the past especially in situations similar to your own right now. You'll discover what's best for you.  
ARIES (March 21-April 19) -- You may want someone else to speak for you today in a situation that does not promise much for you in the way of personal reward.  
TAURUS (April 20-May 20) -- You may have to enlist someone else to do things you've recently left undone. After it's cleaned up, don't make the same mess again!  
GEMINI (May 21-June 20) -- You may prove to be unusually maneuverable throughout the day. Take care, as someone may misinterpret this as an attempt to deceive.  
CANCER (June 21-July 22) -- Someone may look to you for moral guidance today; if

you give it, you'll want to be sure that it's based on something more than a whim.  
LEO (July 23-Aug. 22) -- Your good ideas enable others to develop their own good ideas today. As one thing leads to another, you will want to remain in the top spot.  
VIRGO (Aug. 23-Sept. 22) -- What you know now is a good jumping off point, but you must be ready to learn much more as you pursue a major personal goal.  
LIBRA (Sept. 23-Oct. 22) -- Those who need you are likely to make several demands on you today -- but you are not in a position to help everyone. Choose wisely.  
SCORPIO (Oct. 23-Nov. 21) -- The more you try to deny what is plain to everyone else, the more likely you will be to lose credibility. It's best to tell the truth today.
