## HOROSCOPES by Stella Wilder

**SATURDAY, DECEMBER 15, 2018**  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you can be a rather brash and aggressive individual, yet you may just as easily adopt a quiet, passive stance if you feel it is necessitated by prevailing circumstances. You are quite adept at making plans of all kinds, but you are no less comfortable "winging it," and you may enjoy your greatest successes as a result of improvisation. When it comes to your personal relationships, however, you may want to work on being more consistent in your behavior; to be one thing and then another without warning, willy-nilly, can be quite confusing and disheartening to those who deal with you!  
**SUNDAY, DECEMBER 16**  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Too soft or too loud -- either one is sure to work against you today, so you'll want to moderate your delivery for maximum effect.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You've been learning from another, but today you'll

want to try something entirely on your own. Your first attempt may fall short.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may have to be reminded of a few things today before you get yourself entirely on track. Never fear; others have your back.  
**PISCES (Feb. 19-March 20)** -- Your enthusiasm for a certain project is likely to spread to those around you today; the team you assemble can surely be top-notch.  
**ARIES (March 21-April 19)** -- You are facing a complicated situation; before you jump in, you'll want to carefully assess certain peripheral circumstances.  
**TAURUS (April 20-May 20)** -- You have a choice today between doing something a new way and doing it in a way that is more comfortable for you. Experiment a bit.  
**GEMINI (May 21-June 20)** -- You'll be inspired by someone who has shown you how it's done on several occasions in the past. Now it's your turn!  
**CANCER (June 21-July 22)** -- You'll win

mixed reactions today when you do something that some have warned you against doing. Your success may attract criticism.  
**LEO (July 23-Aug. 22)** -- You may not be able to see something through to its conclusion today because of other responsibilities. Assign a trusted friend to take over.  
**VIRGO (Aug. 23-Sept. 22)** -- You'll be challenged today by situations that arise quickly and change almost as soon as you are aware of them. Flexibility is the key.  
**LIBRA (Sept. 23-Oct. 22)** -- The more you get right today, the more likely someone will try to stump you with an impossible challenge. You can make a game of it.  
**SCORPIO (Oct. 23-Nov. 21)** -- Overconfidence can lead you astray today; be realistic in your assessment of the situation you face, and of your abilities.
