HOROSCOPES by Stella Wilder

SATURDAY, DECEMBER 22, 2018
 YOUR BIRTHDAY by Stella Wilder

Born today, you are quieter than many others born under your sign, for you will have discovered at an early age that, to get what you want, it is better to walk and speak softly than to stamp and bellow. You are an expert at negotiation, suggestion and persuasion, and you know how to make the most of the simplest words and expressions. They say that timing is everything, and for you that's likely the case; you know exactly when to say or do something in order for it to have the greatest possible impact. Often, other people don't even know when they have been bested by you, so subtle is your overall strategy.

SUNDAY, DECEMBER 23

CAPRICORN (Dec. 22-Jan. 19) -- A simple plan gives you what you want today.

When you know just what you want today, success, you'll be able to share it with others.

AQUARIUS (Jan. 20-Feb. 18) -- Not every idea is the best one, but any idea will propel you forward at least a little bit -- and that's

just what you need today.

PISCES (Feb. 19-March 20) -- You may have to make an earlier start today than usual. You'll build quite a head of steam as you tackle the first challenges of the day.

ARIES (March 21-April 19) -- You will have to make adjustments on the fly today, without the benefit of the usual kind of planning that you usually enjoy.

TAURUS (April 20-May 20) -- You feel somewhat relaxed and less confused about certain issues today than you were yesterday and the day before. The clouds are lifting.

GEMINI (May 21-June 20) -- Any difficulty you encounter today can be overcome if you are willing to recognize your immediate limitations and share them with those around you.

CANCER (June 21-July 22) -- A meeting of the minds results in something that can be a big success when everyone gets on board -- but that might take some doing.

LEO (July 23-Aug. 22) -- You needn't try to do anything out of the ordinary today;

your routine efforts should address all key issues and allow you to progress.

VIRGO (Aug. 23-Sept. 22) -- You may be able to gain the advantage today over a rather fierce competitor -- but the race isn't won yet. This one will come down to the wire.

LIBRA (Sept. 23-Oct. 22) -- You know how to address the central issues affecting yourself and those around you today; you mustn't think your methods are inappropriate.

SCORPIO (Oct. 23-Nov. 21) -- If you are not careful, a simple error may turn into something that takes quite a long time to correct. Nip this in the bud today!

SAGITTARIUS (Nov. 22-Dec. 21) -- Your natural grace will be appreciated today by those who know a good thing when they see one. You win praise from a new admirer.

LEO (July 23-Aug. 22) -- You can keep a rival from overtaking you today. Others show you more support than you were expecting, perhaps. Give something to a friend.

VIRGO (Aug. 23-Sept. 22) -- You'll understand why someone close to you is pursuing a certain line of endeavor, for it is something you want to pursue yourself.

LIBRA (Sept. 23-Oct. 22) -- You may be concerned with your position or reputation today. Trust that things will work out; others will continue to hold you in high esteem.

SCORPIO (Oct. 23-Nov. 21) -- Others may wonder if you are going to reach your goals today, but you have no doubts, do you? Energy is high, and your focus is keen.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may find yourself wondering what happened recently to a certain friendship. Things may have not yet reached the point of no return.

SUNDAY, DECEMBER 23, 2018
 YOUR BIRTHDAY by Stella Wilder

Born today, you are so careful in the way you express yourself that others may make the dangerous mistake of thinking that you are disinterested in whatever may be going on at the time, but nothing could be further from the truth. Everything matters to you -- from the biggest issues to the smallest details. You are so observant, and so able to anticipate what comes next, that you are rarely surprised, and you have taught yourself to expect the unexpected. You see gut reactions as a kind of weakness in others, and you try to avoid such things; you want things to be planned and your own actions to be thought out with great care.

MONDAY, DECEMBER 24

CAPRICORN (Dec. 22-Jan. 19) -- A matter of style is worth considering carefully today. What others have to say will surely influence your thinking -- in a good way.

AQUARIUS (Jan. 20-Feb. 18) -- You can

inspire others with what you know -- and how you put what you know to good use. Many may choose to follow in your footsteps.

PISCES (Feb. 19-March 20) -- Something you want to have happen is likely to occur very soon -- even soon enough, perhaps, to affect this day in an irreversible way.

ARIES (March 21-April 19) -- Your powers of observation will serve you well today. You must be able to tell the difference between the truth and a falsehood.

TAURUS (April 20-May 20) -- You may have to put in a little extra effort today in order to complete a routine task. Is there someone standing in your way?

GEMINI (May 21-June 20) -- Consider what comes your way today as a kind of "warning"; if you respond appropriately to it, all will be well -- but if not, trouble ensues.

CANCER (June 21-July 22) -- You find yourself at the vanguard of something that is new and exciting today. You can't expect to be perfect, but you can get things done!
