HOROSCOPES by Stella Wilder

SATURDAY, JANUARY 12, 2019
YOUR BIRTHDAY by Stella Wilder

Born today, you are seldom concerned with how others react to you, especially when those reactions are negative. Indeed, you often thrive on surprising those around you, on doing that which is controversial in order to get -- and keep -- the attention of others. The larger your audience, the better! You will do all you can to attract crowds wherever you go, for you feel that you have much to say that can be of great import to others. The truth is that you can be quite overblown and "puffed up," but that is part of your charm. Despite the fact that you can be outrageous in some ways, you are also quite attractive and certainly magnetic.

SUNDAY, JANUARY 13
CAPRICORN (Dec. 22-Jan. 19) -- You are involved in a great deal of clandestine maneuvering today, which can be quite time-consuming. Why not do it all out in the open?

AQUARIUS (Jan. 20-Feb. 18) -- You cannot afford to increase your stress level at this

time, lest you suffer irreparable damage of some kind. Lie low today.

PISCES (Feb. 19-March 20) -- You know what you're looking at, but you may not understand why it's happening now and not at some later date. Get all the info!

ARIES (March 21-April 19) -- You'll want to continue along your current course unimpeded. It's likely that someone will try to slow your progress today.

TAURUS (April 20-May 20) -- Productivity is on the rise, but you may not be in the mood to collaborate with others. A certain amount of teamwork is unavoidable.

GEMINI (May 21-June 20) -- You can look back on a certain past project and be proud of your contribution. Now it's time to plan something just as exciting.

CANCER (June 21-July 22) -- You may have special needs today that can be met only by one who knows you better than anyone else, but he or she can give you only so much time.

LEO (July 23-Aug. 22) -- Follow instruc-

tions today, but know that you will have some "wiggle room" later on and can benefit from a little improvisation. Use your imagination.

VIRGO (Aug. 23-Sept. 22) -- Someone who has played an important part in your life in recent days or weeks is likely to fade into the background for a time today.

LIBRA (Sept. 23-Oct. 22) -- You can go your own way today without thinking that others will fault you for your independence. Indeed, you're likely to inspire them!

SCORPIO (Oct. 23-Nov. 21) -- Your day is likely to progress according to plan, for the most part -- but after dark you must expect a surprise to shake you up a little.

SAGITTARIUS (Nov. 22-Dec. 21) -- Trust proves a major issue today, whether it is trust of a certain individual or trust of the "system." Your instincts serve you well.

SUNDAY, JANUARY 13, 2019
YOUR BIRTHDAY by Stella Wilder

Born today, you are almost certain to maintain close ties to friends and family throughout your lifetime, no matter where life may take you. You don't like it when the world presents itself in a random manner that you cannot control or anticipate; you despise chaos, and it can actually drive you somewhat mad! Family and friends, then, are a big part of your continual efforts to maintain the "world order" as you would have it, and you will certainly rely on those who are most important to you as the years pass. You are drawn to those who are confident, unassuming and loyal -- just as you strive to be at all times.

MONDAY, JANUARY 14
CAPRICORN (Dec. 22-Jan. 19) -- You may have to undergo something uncomfortable today in order to solve a problem that has been sneaking up on you for some time.

AQUARIUS (Jan. 20-Feb. 18) -- What you

really want is likely to remain out of reach today, but making a plan to close the gap can serve you well in many ways.

PISCES (Feb. 19-March 20) -- Loyalty and faithfulness give you a great deal to think about today -- whether yours or someone else's. You're on the right track, surely.

ARIES (March 21-April 19) -- Seek and ye shall find, today, but be ready to admit that what you were looking for isn't exactly what you need. Still, it serves some good.

TAURUS (April 20-May 20) -- You'll be given a kind of "test" today by someone who wants to know just how reliable you really are. You are likely to pass with flying colors.

GEMINI (May 21-June 20) -- You don't really know what's going on behind the scenes, though you have a sneaking suspicion that you don't really want to know.

CANCER (June 21-July 22) -- That which you most expected to transpire is likely to wait for another day or two. Something else happens that interests you even more!

LEO (July 23-Aug. 22) -- Play your cards right and you'll be able to enjoy unprecedented gains today. Remember that the odds may not be in your favor to start.

VIRGO (Aug. 23-Sept. 22) -- You may look like you are going nowhere today, but the fact is that what is going on beneath the surface is far more important in the long run.

LIBRA (Sept. 23-Oct. 22) -- Things may not be progressing exactly according to plan today, but you can enjoy an unexpected pleasure if you use the time well.

SCORPIO (Oct. 23-Nov. 21) -- Your keen instincts are telling you much that would otherwise be hidden. A viable alternative presents itself late in the day.

SAGITTARIUS (Nov. 22-Dec. 21) -- There is no need for you to take on every challenge on your own today. Ask for help and you will certainly receive it.
