YOUR BIRTHDAY by Stella Wilder

Born today, you know how to attract a great deal of attention and enjoy being in the spotlight -- even when things are not necessarily going your way. You are likely to come from a quite humble background, but you are proud of this -- and proud of what you have done to better yourself both personally and professionally. You lead by example, going about your business in a straightforward, honest manner that advertises to others just how you think they should live. You are always looking for a big payoff -- and on at least one or two occasions you will have it!

THURSDAY, FEBRUARY 14

AQUARIUS (Jan. 20-Feb. 18) -- You may not be in a position to make the rules today, which means that you'll have to follow them. A partner knows what's really possible.

PISCES (Feb. 19-March 20) -- Take a look at where you've been, and you'll discover a better route to the place you want to go. It's

more than a matter of speed.

ARIES (March 21-April 19) -- Someone else is likely to stand between you and your destination today -- but he or she doesn't realize that you're not in any hurry at all.

TAURUS (April 20-May 20) -- You may be faced with more than you are used to today. Give someone else the first crack at a problem that is plaguing you both at this time.

GEMINI (May 21-June 20) -- You can get everything done today if you know how to break it down into its component parts. Don't try to take it all in at once.

CANCER (June 21-July 22) -- You are not all that interested in what others have to say about your performance today -- but you can benefit from what you hear.

LEO (July 23-Aug. 22) -- A mystery waits to be solved. You won't discover the key until you are willing to look deep within yourself for the answer to a certain question.

VIRGO (Aug. 23-Sept. 22) -- You will almost surely have room to experiment more

freely than usual today. Take someone along for the ride if you travel far from home.

LIBRA (Sept. 23-Oct. 22) -- That which is essential may be easily confused with that which can be tossed aside without a thought. You've got to get it straight today!

SCORPIO (Oct. 23-Nov. 21) -- Interpretation is the key to progress today. Make sure that no one is trying to interfere as you consider what key symbols mean.

SAGITTARIUS (Nov. 22-Dec. 21) -- Someone is sitting, or standing, right where you want to be -- but it is really proper to complain? You'll have to wait your turn.

CAPRICORN (Dec. 22-Jan. 19) -- A friend may ask you a question that is difficult to answer -- but only because of the source. You can progress quickly without his input.
