NOTICE: OREGON

Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

THURSDAY, FEBRUARY 14, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you are destined for greatness, but it may take a long time to reach the top. You may not get very many breaks in life, especially in the professional realm, so you will develop a healthy work ethic. You are never one to shirk your responsibilities, or to turn away from a challenge. Your ability to maneuver to avoid pitfalls is second to none. You can address problems directly and solve them quickly, and you are always willing to help those around you who find themselves in need.

FRIDAY, FEBRUARY 15

AQUARIUS (Jan. 20-Feb. 18) -- You may be tempted today to do something that you would never have thought of, but for the unusual circumstances in which you find yourself.

PISCES (Feb. 19-March 20) -- You've been weighing several possibilities of late, and today you're likely to hit upon one that seems

more doable than all the others.

ARIES (March 21-April 19) -- Make sure your priorities are in order today. Don't wait around for someone else to make the first move. What you want is surely within reach.

TAURUS (April 20-May 20) -- Getting things done today can be as easy as "one, two, three" -- particularly if you have a good friend by your side to pick up any slack.

GEMINI (May 21-June 20) -- Put yourself in another's shoes today, and you'll realize that you've been seeing things through a rather distorted personal lens of late.

CANCER (June 21-July 22) -- Look around and you'll realize that you do indeed fit in -- far more than you had supposed. Someone close to you calls your bluff.

LEO (July 23-Aug. 22) -- Two things that don't seem to go together may actually fit quite nicely side by side today, giving you more room to maneuver "on the sly."

VIRGO (Aug. 23-Sept. 22) -- It may take you some time today to get things back to the

way they are supposed to be. Later, try to figure out how they got out of order.

LIBRA (Sept. 23-Oct. 22) -- You don't want to end up with the short end of the stick today, so you'll want to be one of the first people ready and willing to get moving.

SCORPIO (Oct. 23-Nov. 21) -- You are trying to work out a schedule that accommodates all those who are within your sphere of influence, but is that really possible today?

SAGITTARIUS (Nov. 22-Dec. 21) -- You have a few things to learn before you can really show yourself off to full advantage. Someone's waiting for you to deliver the goods.

CAPRICORN (Dec. 22-Jan. 19) -- A chance encounter gives you food for thought: What might have happened if things had been completely reversed? It's a puzzle worth solving!
