HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
 Born today, you have such tremendous creative energy that it is a rare day when you do not have several irons in the fire. The more you are engaged in all manner of activities, the better. You have a tendency to get bored quickly when things slow down, and this can be rather dangerous -- for when you are bored, you tend to make decisions that are not in your best interest and that are intended to thrill. You are able to look at the most complex issues in a way that makes them seem clear as day to you -- and you are able to explain them to others in such a way that the mystery vanishes very quickly.
WEDNESDAY, FEBRUARY 27
PISCES (Feb. 19-March 20) -- A minor disagreement must not be allowed to grow into something you cannot easily set aside. Don't let someone push you into an awkward spot.
ARIES (March 21-April 19) -- You can do much that is quite satisfying today, though it

may not advance your career by much. Soon you'll have a chance to do just that.
TAURUS (April 20-May 20) -- It's a good day to make your boundaries clear to those around you. In a certain situation, you're willing to do more than expected.
GEMINI (May 21-June 20) -- Someone may be asking of you more than you are willing to give. In order to avoid a standoff, you can suggest an acceptable alternative.
CANCER (June 21-July 22) -- Don't just say "no" today. You will want to continue negotiations, even though certain terms are not acceptable to you. Consider other options.
LEO (July 23-Aug. 22) -- You're eager to be more "hands on" than usual today -- and you can be, but you must be careful not to overstep your bounds in any way.
VIRGO (Aug. 23-Sept. 22) -- You may have a claim to something that others are eager to have. Make sure that you keep accurate records of all communications.
LIBRA (Sept. 23-Oct. 22) -- You must

judge situations very carefully as they evolve today. Make sure that you have up-to-date information and do not fall behind.
SCORPIO (Oct. 23-Nov. 21) -- The only instructions you are likely to receive today are simply "do not fail." You have tremendous freedom to do what is necessary.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may find yourself in a challenging situation because a friend refuses to see things your way. A compromise is not out of the question.
CAPRICORN (Dec. 22-Jan. 19) -- Much discussion is likely to spring from a situation that you tried to control but could not. No one is likely to blame you, however.
AQUARIUS (Jan. 20-Feb. 18) -- You may be in need of reminders today, as you attempt to get more done in one fell swoop than usual. A friend knows just how to help.
