NOTICE: OREGON Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

OREGON STATE law requires anyone who contracts for construction work to be licensed with the Construction Contractors Board. An active license means the contractor is bonded & insured. Verify the contractor's CCB license through the CCB Consumer Website www.hirealicensed-contractor.com.

HOROSCOPES

by Stella Wilder

FRIDAY, MARCH 1, 2019
YOUR BIRTHDAY by Stella Wilder

You know how to get things done better than most individuals, and you are perhaps the most creative and productive individual born under your sign. Any assignment or job that doesn't allow you to be true to yourself is not for you; you must always follow your instincts and work in a manner that comes from the heart. If you are able to do precisely what you are made for, you are destined to enjoy unequalled success. You are determined to live the life of your dreams; doing so will require you to begin working toward it at an early age -- and you will likely have the opportunity to do just that!

SATURDAY, MARCH 2
PISCES (Feb. 19-March 20) -- The only thing you have to fear today is the very thing that you've been trying to avoid. Face it and you can move on with confidence.

ARIES (March 21-April 19) -- You must be willing to do more for someone else than you are for yourself today. The "what" is known, but the "how" and "where" are unclear.

TAURUS (April 20-May 20) -- Hold on to what you have today, and do not relinquish anything under any circumstances. Not enough is known to make a deal.

GEMINI (May 21-June 20) -- You may be required to go through formal proceedings very soon, so you'll want to prepare yourself fully. Look back over past paperwork.

CANCER (June 21-July 22) -- The more specific you can be today, the better -- especially when it comes to giving instructions to a new partner or teammate.

LEO (July 23-Aug. 22) -- That which has been holding you back lately is likely to vanish into thin air quite unexpectedly. The road before you beckons.

VIRGO (Aug. 23-Sept. 22) -- You can get everything done that you must get done, but one or two things that are merely on your wish list may have to be skipped today.

LIBRA (Sept. 23-Oct. 22) -- Someone who knows you very well proves it, and you'll be better off for letting him or her do what must be done. Don't be too stubborn today!

SCORPIO (Oct. 23-Nov. 21) -- A measure of uncertainty can do you a world of good today as you look at an assignment from all angles. What are you missing?

SAGITTARIUS (Nov. 22-Dec. 21) -- It's important for you to be accessible to those who need you today. Don't hide away and make them search for you endlessly; show yourself!

CAPRICORN (Dec. 22-Jan. 19) -- The familiar is only more so today, and you'll derive great comfort from dealing with the things you know best. Let no one intervene.

AQUARIUS (Jan. 20-Feb. 18) -- You may want to be in two places at once today, and while it is literally impossible, you may find a way. That's good enough, isn't it?
