Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. **HOROSCOPES** by Stella Wilder

WEDNESDAY, MARCH 6, 2019

**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are continually striving to work in tandem with what you call "destiny" or even "fate," but the facts is that the more you try to control things, the less likely you are to exert a lasting influence over them. You must always be willing to give yourself over to prevailing trends, in both your personal life and your professional affairs. What you do have going for you is your ability to respond creatively to all manner of situations; indeed, that which others might call a cruel twist of fate is just the kind of thing that you can exploit and turn into a major success.

**THURSDAY, MARCH 7**  
**PISCES (Feb. 19-March 20)** -- Whether a task is big or small, you'll want to approach it today with the same firmness of intent, and a clear desire to get it right.

**ARIES (March 21-April 19)** -- A little nostalgia never hurt anyone, but take care you don't get lost in a memory that you have, for the most part, made up for yourself.

**TAURUS (April 20-May 20)** -- You'll understand far more than usual how things are interconnected today. What happens to you after dark proves it once and for all.

**GEMINI (May 21-June 20)** -- What you don't notice is likely to have a lasting impact on you and those in your inner circle. Eventually you'll know what's going on.

**CANCER (June 21-July 22)** -- You must get things done in a timely manner today if you wish to avoid any sort of criticism from those who tend to think they are usually right.

**LEO (July 23-Aug. 22)** -- You will have a chance to get to know someone better than ever before without putting yourself in a position you consider too vulnerable.

**VIRGO (Aug. 23-Sept. 22)** -- What worked for you very well in the past may backfire on you today. You can correct errors, but you may have lost ground permanently.

**LIBRA (Sept. 23-Oct. 22)** -- Doing things properly and meeting the expectations of others will be important to you today. It's important, too, that you look the part.

**SCORPIO (Oct. 23-Nov. 21)** -- You can see to it that an oversight is corrected and that an accident actually propels you forward more rapidly than you're used to.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- A request from the top must not be ignored today. This is the chance you've been waiting for, and you must acquit yourself as planned.

**CAPRICORN (Dec. 22-Jan. 19)** -- You have a sneaking suspicion today that someone knows something about you that you've not told anyone before. How is this possible?

**AQUARIUS (Jan. 20-Feb. 18)** -- A misinterpretation of the facts puts you behind the eight ball for a time today. A clever maneuver allows you to recover and move ahead.
