HOROSCOPES by Stella Wilder

FRIDAY, MARCH 8, 2019
YOUR BIRTHDAY by Stella Wilder

Born today, you don't always make up your mind quickly, and sometimes you find yourself unable to weigh the pros and cons of a choice presented to you. This means that you're in for some trouble when the going gets tough and the road before you isn't as straight as you might like. Fortunately, you never have any problem asking for help when you need it, and you are gracious when it comes to thanking other people for their assistance. While you are certainly intelligent, it will be very fortunate for you when you are presented with no choice at all, and the path ahead is clear and there is no way to go but forward.

SATURDAY, MARCH 9
PISCES (Feb. 19-March 20) -- Your will may collide with another's today, prompting some quick action by a third party to keep things from getting out of hand. Cooperate!

ARIES (March 21-April 19) -- You may have your hands full as you try to juggle the competing needs of two people who are very close to you. When do you get what you want?

TAURUS (April 20-May 20) -- It may be harder than expected for you to finish something you've been working on for quite some time. You're in the groove!

GEMINI (May 21-June 20) -- You may need to pay someone after going a long time without having to think about compensation of any kind. What do you think is fair?

CANCER (June 21-July 22) -- You must focus a little more on your own personal needs today. Someone close to you is worried that you're having to go without.

LEO (July 23-Aug. 22) -- You'll enjoy what others have to say about you today, but don't get used to it! You're likely to encounter some criticism very soon.

VIRGO (Aug. 23-Sept. 22) -- You can square things away with someone who has been trying to negotiate for extra time with you. He or she has a surprise in store.

LIBRA (Sept. 23-Oct. 22) -- You're sure to encounter at least one person who does things very differently from the way you do them, but this needn't lead to conflict today.

SCORPIO (Oct. 23-Nov. 21) -- For once you're able to let somebody's erratic behavior go without commenting on it. You have more important things on your mind, surely!

SAGITTARIUS (Nov. 22-Dec. 21) -- You're eager to find a new way of doing something at this time, but a friend or partner may be holding you back. You can allay any fear.

CAPRICORN (Dec. 22-Jan. 19) -- The technical aspects of a job may require more thought than expected today. Are you sure you have what it takes to meet expectations?

AQUARIUS (Jan. 20-Feb. 18) -- An obstacle rises in your path today and forces you to deal with a personal issue that you've ignored for far too long.
