## HOROSCOPES by Stella Wilder

MONDAY, MARCH 11, 2019  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are a born strategist, and any time you think up a plan of action, it is sure to be effective to some degree. You know how to look at a problem from all angles to come up with the best possible picture of what you are facing, and you are able to assess it for vulnerabilities that you can exploit as you work to solve it. You work well in tandem with others or alone, and you like to know that you're on the right track and doing what others find praiseworthy.  
**TUESDAY, MARCH 12**  
**PISCES (Feb. 19-March 20)** -- It may be time for you to give a direct answer to the questions you're asked. A lot of confusion can be cleared up and a conflict put to rest.  
**ARIES (March 21-April 19)** -- You are waiting for someone else to complete a task today before you are able to step up and do your part. You are ready to go!

**TAURUS (April 20-May 20)** -- You may not be comfortable with what you are hearing from official circles; you may choose to conduct your own investigation of recent events.  
**GEMINI (May 21-June 20)** -- Something is revealed today with the kind of clarity that is rare and much appreciated. Now you can get on with business, can't you?  
**CANCER (June 21-July 22)** -- You must take care that you don't say the wrong thing at the wrong time today -- or even the right thing! Timing is everything right now.  
**LEO (July 23-Aug. 22)** -- You won't be able to escape all notice today, despite your best efforts. Someone is going to know what you are up to, no matter what.  
**VIRGO (Aug. 23-Sept. 22)** -- You may have to express yourself in a way that doesn't come naturally today. Others are expecting information they may not get.  
**LIBRA (Sept. 23-Oct. 22)** -- A personal battle rages on, but you are able to focus on

other necessary tasks before this distraction becomes all-consuming -- if it ever does.  
**SCORPIO (Oct. 23-Nov. 21)** -- You will want to protect yourself from those who are eager to derail you at this time. A certain encounter is worth remembering in detail.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You may be misled by what you are told today. Take the time to explore the issues and be sure to draw your own conclusions.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You may find yourself dealing with a matter that threatens to overshadow other more immediate concerns. You must act quickly today!  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may not be able to score measurable results today, but you know that you're moving in the right direction, even if only incrementally.
