HOROSCOPES by Stella Wilder

SATURDAY, MARCH 16, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you have been endowed with tremendous vision. When the chips are down, you are able to pull from the creative wellspring of your imagination to find permanent solutions to problems. You are an unassuming individual but so bright and so thoughtful that you attract the attention of others simply as a matter of course, and not through any outright effort.

SUNDAY, MARCH 17

PISCES (Feb. 19-March 20) -- You are hoping for the best, certainly, but you still have a nagging sense that something is out of place. Identify it soon!
ARIES (March 21-April 19) -- You aren't willing to take orders from anyone else today, but you do need instruction -- and it's important for you to know the difference.

TAURUS (April 20-May 20) -- You are more interested in what is going on with a friend or loved one, perhaps, than in what you are doing or are going to do.

GEMINI (May 21-June 20) -- The simplest of messages can have the greatest import. Give yourself time to absorb what comes your way, and assess its significance.
CANCER (June 21-July 22) -- You'll want to get certain things done today before you move on to that one endeavor you feel is most important. Your priorities are in order.

LEO (July 23-Aug. 22) -- You are eager to follow someone else wherever he or she goes today, but take care that you don't unwittingly expose yourself to danger.

VIRGO (Aug. 23-Sept. 22) -- You'll want to weigh all options today before making a decision that someone else is going to hold you to. A friend surprises you during the evening.

LIBRA (Sept. 23-Oct. 22) -- Take the time to assess your situation as fully as possible

today. You don't have to take someone else's word as gospel, surely.

SCORPIO (Oct. 23-Nov. 21) -- You may not be able to progress as planned today, but think outside the box and you'll find that obstacles are few and far between.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may have to make certain concessions today in order to smooth things over with an old friend. He or she is making overtures.

CAPRICORN (Dec. 22-Jan. 19) -- You'll be curious to see what a friend or colleague has been up to lately. You may want to make a proposition regarding future work.

AQUARIUS (Jan. 20-Feb. 18) -- You can afford to mind your manners just a little more than usual today. Courtesy opens doors, and that's just what you need to do right now!

SUNDAY, MARCH 17, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you have been endowed with a strong and colorful personality. You have the wherewithal to do the kinds of things that others are not willing to do in order to succeed. It is this last trait that can prove your downfall if you are not careful; living with no limits as you navigate life's more complicated avenues can be quite a danger for you. You require a little more self-control than you are wont to give yourself in order to make the most of the opportunities that present themselves to you. Further, you often make the mistake of believing what others say about you, especially when it is praise. You need to be more realistic about your own abilities.

MONDAY, MARCH 18

PISCES (Feb. 19-March 20) -- You may want to keep a close eye on your spending over the past few days. Are you overindulging?
ARIES (March 21-April 19) -- You want to be sure of something that others have been

vacillating about for quite some time. You may have to put your foot down after dark.

TAURUS (April 20-May 20) -- Evidence may come to light that has you reconsidering your relationship with a friend or co-worker. You've been the victim of a misconception.

GEMINI (May 21-June 20) -- You'll receive good news, albeit from someone you do not know. Still, prevailing circumstances tell you that you can trust this source.

CANCER (June 21-July 22) -- You receive a report that goes against what you have already heard about a certain development. You may have to investigate further.

LEO (July 23-Aug. 22) -- Someone has been trying to build a web of deceit, but you're not one to be fooled at this time. You can prove things are really as they seem.

VIRGO (Aug. 23-Sept. 22) -- Focus on details today and leave the "heavy lifting" to someone else whom you trust. You can manage things with great skill and good humor, too.

LIBRA (Sept. 23-Oct. 22) -- You are eager

to do something different today from what has long been working for you, but do you dare break with tradition in this way?

SCORPIO (Oct. 23-Nov. 21) -- Your views are not shared by everyone, but those who do support your thinking are likely to come to your aid very quickly today.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may experience something of a rough patch early on today, but then it should be smooth sailing all the way to your destination.

CAPRICORN (Dec. 22-Jan. 19) -- A minor glitch is likely to have a "ripple effect" today, and you'll want to do all you can to minimize lasting negative repercussions.

AQUARIUS (Jan. 20-Feb. 18) -- Your work may not be all that creative or inspired today, but you certainly know how to deliver the goods in a reliable fashion. Keep it up!
