### HOROSCOPES by Stella Wilder

WEDNESDAY, MARCH 20, 2019  
YOUR BIRTHDAY by Stella Wilder  
Born today, you enjoy all manner of creative projects, but anything that requires you to learn something new is sure to attract you more than anything else, for you thrive on self-improvement of all kinds. You don't enjoy a new task merely for the sake of the task itself, but for what it requires of you in all different ways. In short, you do a thing because you are confident that it will make you a "better" person -- and you are usually confident that such improvement will give you an edge in the competitive game of life.  
THURSDAY, MARCH 21  
ARIES (March 21-April 19) -- You are eager for some self-discovery, but first you must help someone else through a situation that you understand more completely.  
TAURUS (April 20-May 20) -- Use the time to your advantage today and don't let anyone pull you away from the tasks that beckon. You know what must be done!  
GEMINI (May 21-June 20) -- Just because you are not paying attention, don't think that others are not trying to get in touch with you. Many are reaching out!  
CANCER (June 21-July 22) -- Self-doubt mustn't be allowed to linger today. You can combat it by first doing a small thing that you know you can do very well.  
LEO (July 23-Aug. 22) -- Someone close to you has you thinking that maybe you're in need of a little self-improvement at this time -- and you likely are.  
VIRGO (Aug. 23-Sept. 22) -- You mustn't let yourself be taken advantage of today; anything you do must be compensated for, even if it means saying "no."  
LIBRA (Sept. 23-Oct. 22) -- Something unusual comes your way today. Do what you know how to do, and don't let anyone pull you out of your comfort zone, at least for now.  
SCORPIO (Oct. 23-Nov. 21) -- Others may be willing to settle for less than what they deserve, but not you! It's time to insist on adequate payment for services rendered.  
SAGITTARIUS (Nov. 22-Dec. 21) -- It's likely to be a busy day for you and those on your team. Someone with whom you naturally clash is more on your side today.  
CAPRICORN (Dec. 22-Jan. 19) -- Take care that you don't let yourself become too tolerant or accepting; there are times when you must insist that others follow the rules.  
AQUARIUS (Jan. 20-Feb. 18) -- You understand just how important it is today to support those around you. Very soon, you'll likely require their support in return.  
PISCES (Feb. 19-March 20) -- This may be a good day to stay indoors and protect yourself from the kinds of influences that could disrupt things for quite some time.

**NOTICE: OREGON** Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.
